Thoroughly revised and updated, the book spans 42 chapters, incorporating new material and the latest advances in the field of obstetrics.

[Download DC Dutta's Textbook of Obstetrics 9th Edition PDF ...](#)

This new edition has been fully revised to present the latest developments in obstetrics. Beginning with an introduction to the anatomy and development of female reproductive organs, the following chapters describe the diagnosis and treatment of numerous obstetrical disorders. Many chapters have been revised and expanded, and several new topics have been added including critical care in obstetrics, stem cells and therapies.

Dutta's Textbook of Gynecology has endured because over the years it has evolved to provide comprehensive updated information in a concise and easy-to-read format. It has skillfully integrated the preclinical science and the clinical gynecology from the very outset.
