A severed arm, found buried in the White House Rose Garden. A lethal message with terrible consequences for the Presidency. And a hidden secret in one family's past that will have repercussions for the entire nation. Following *The Inner Circle* and *The Fifth Assassin*, #1 bestselling author Brad Meltzer returns with . . . **THE PRESIDENT'S SHADOW** There are stories no one knows. Hidden stories. I find those stories for a living. To most, it looks like Beecher White has an ordinary job. A young staffer with the National Archives in Washington, D.C., he's responsible for safekeeping the government's most important documents . . . and, sometimes, its most closely held secrets. But there are a powerful few who know his other role. Beecher is a member of the Culper Ring, a 200-year-old secret society founded by George Washington and charged with protecting the Presidency. Now the current occupant of the White House needs the Culper Ring's help. The alarming discovery of the buried arm has the President's team in a rightful panic. Who buried the arm? How did they get past White House security? And most important: What's the message hidden in the arm's closed fist? Indeed, the puzzle inside has a clear intended recipient, and it isn't the President. It's Beecher, himself. Beecher's investigation will take him back to one of our country's greatest secrets and point him toward the long, carefully hidden truth about the most shocking history of all: family history.

The First Counsel Penguin

Brad Meltzer--author of the #1 New York Times bestseller *The Book of Fate*--returns with his most thrilling and emotionally powerful novel to date. In Chapter Four of the Bible, Cain kills Abel. It is the world's most famous murder. But the Bible is silent about one key detail: the weapon Cain used to kill his brother. That weapon is still lost to history. In 1932, Mitchell Siegel was killed by three gunshots to his chest. While mourning, his son dreamed of a bulletproof man and created the world's greatest hero: Superman. And like Cain's murder weapon, the gun used in this unsolved murder has never been found. Until now. Today in Fort Lauderdale, Florida, Cal Harper comes face-to-face with his family's greatest secret: his long-lost father, who's been shot with a gun that traces back to Mitchell Siegel's 1932 murder. But before Cal can ask a single question, he and his father are attacked by a ruthless killer tattooed with the ancient markings of Cain. And so begins the chase for the world's first

murder weapon. What does Cain, history's greatest villain, have to do with Superman, the world's greatest hero? And what do two murders, committed thousands of years apart, have in common? This is the mystery at the heart of Brad Meltzer's riveting and utterly intriguing new thriller *The Book of Lies* Grand Central Publishing

A secret worth killing for, a woman with no past, and an act of treason that changed America: #1 bestselling author Brad Meltzer returns with *The House of Secrets*. "When Hazel Nash was six years old, her father taught her: mysteries need to be solved. He should know. Hazel's father is Jack Nash, the host of America's favorite conspiracy TV show, *The House of Secrets*. Even as a child, she loved hearing her dad's tall tales, especially the one about a leather book belonging to Benedict Arnold that was hidden in a corpse. Now, years later, Hazel wakes up in the hospital and remembers nothing, not even her own name. She's told she's been in a car accident that killed her father and injured her brother. But she can't remember any of it, because of her own traumatic brain injury. Then a man from the FBI shows up, asking questions about her dad -- and about his connection to the corpse of a man found with an object stuffed into his chest: a priceless book that belonged to Benedict Arnold. Back at her house, Hazel finds guns that she doesn't remember owning. On her forehead, she sees scars from fights she can't recall. Most important, the more Hazel digs, the less she likes the person she seems to have been. Trying to put together the puzzle pieces of her past and present, Hazel Nash needs to figure out who killed this man -- and how the book wound up in his chest. The answer will tell her the truth about her father, what he was really doing for the government -- and who Hazel really is. Mysteries need to be solved. Especially the ones about yourself."

!-StartFragment--The best-kept secret of the U.S. Presidency is about to be revealed. "There are stories no one knows. Hidden stories. I love those stories. And since I work in the National Archives, I find those stories for a living." Beecher White, a young archivist, spends his days working with the most important documents of the U.S. government. He has always been the keeper of other people's stories, never a part of the story himself. . . Until now. When Clementine Kaye, Beecher's first childhood crush, shows up at the National Archives asking for his help tracking down her long-lost father, Beecher tries to impress her by showing her the secret vault where the President of the United States privately reviews classified documents. After they accidentally happen upon a priceless artifact -- a two-hundred-year-old dictionary that once belonged to George Washington -- hidden underneath a desk chair, Beecher and Clementine find themselves suddenly entangled in a web of deception, conspiracy, and murder. Soon a man is dead and Beecher is on the run as he races to learn the truth behind this mysterious national treasure. His search will lead him to discover a coded and ingenious puzzle that conceals a disturbing secret from the founding of our nation. It is a secret, Beecher soon discovers, that some believe is worth killing for. The Book of Lies Penguin

It's an irresistible combination: Brad Meltzer, a born storyteller, counting down the world's most intriguing unsolved mysteries. And to make this richly illustrated book even richer, each chapter invites the reader along for an interactive experience through the addition of removable facsimile documents—the evidence! It's a treasure trove for conspiracy buffs, a Griffin and Sabine for history lovers. Adapted from *Decoded*, Meltzer's hit show on the HISTORY network, *History Decoded* explores fascinating, unexplained questions. Is Fort Knox empty? Why was Hitler so intent on capturing the Roman "Spear of Destiny"? What's the government hiding in Area 51? Where did the Confederacy's \$19 million in gold and silver go at the end of the Civil War? And did Lee Harvey Oswald really act alone? Meltzer sifts through the evidence; weighs competing theories; separates what we know to be true with what's still—and perhaps forever—unproved or unprovable; and in the end, decodes the mystery, arriving at the most likely solution. Along the way we meet Freemasons, Rosicrucians, Nazi propagandists, and the real DB Cooper. Bound in at the beginning of each story is a custom-designed envelope—a faux 19th-century leather satchel, a U.S. government classified file—containing facsimiles of relevant evidence: John Wilkes Booth's alleged unsigned will, a map of the Vatican, Kennedy's death certificate. The whole is a riveting, interactive adventure through the compelling world of mysteries and conspiracies.
