How to Murder a Millionaire St Martins Press

This is true story about real people is set in Edinburgh City and Dundee, where a petite Scottish Lassie called Rosie Gilmour, mother to Finlay Sinclair, receives news of the death of her son - who tragically has taken his own life by hanging. Rosie pretends her son is still alive by talking to him, for that takes away the unbearable pain of her loss. But once she begins to face up to the fact that Finlay is not coming back, her

conversations become more of a challenge than she can handle. When memories of her past are triggered by everyday life events, they take her mind back and forth in time - back to her own childhood days in 1960, when she flirted with the fairground boys, and to the day she gave birth to Finlay - "ME LADDIE". Rosie's Scottish accent becomes more apparent whenever her emotions are heightened and she begins to recite poetry. She goes on to reveal doubts about her own self-worth and how she re-unites her role as mother - a role she had denied herself for seven years prior to Finlay's death. Rosie learns how to forgive herself and how to accept her loss with using practical coping strategies that sometimes but not always work for her. Many voices of different natures and walks of life appear in Rosie's, story with each one

offering a part of their own belief to try and console her in her misery - except that she turns her back on any advice or support offered. Rosie is convinced that she can cope with her loss on her own and "needs no help from anyone, thank you" - until a sweet, gentle, soft-spoken voice begins to travel with her throughout her ordeal, leaving her no other choice but to listen. Eventually moving to the countryside in Angus, Rosie finds the isolation gives her life a new meaning offering her the opportunity to re-value her beliefs about her own self values and decides the time has come to give her son a memorial service and invite a chosen few dance companions whom she met on a regular basis in Edinburgh to honour this day. Rosie begins to accept she will never be the same person she once had been and shall never be again, believing now her journey through grief taught her many lessons making her a stronger and better person than she imagined she could ever be.

No Way to Kill a Lady Penguin
A NEW YORK TIMES NOTABLE BOOK OF 2018 An Edgar Award nominee for best critical / biographical Best of 2018

according to Kirkus, The Boston Globe, The New York Times, The Portland Mercury, Bustle, Thrillist, and Electric Lit A New York Times Editor's Choice, a best of summer 2018 according to Bitch Magazine, Harpers Bazaar, The Millions, Esquire, Refinery29, Nylon, PopSugar, The Chicago Tribune, Book Riot, and CrimeReads In this poignant collection, Alice Bolin examines iconic American works from the essays of Joan Didion and James Baldwin to *Twin Peaks*, Britney Spears, and *Serial*, illuminating the widespread obsession with women who are abused, killed, and disenfranchised, and whose bodies (dead and alive) are used as props to bolster men's stories. Smart and accessible, thoughtful and heartfelt, Bolin investigates the implications of our cultural fixations, and her own role as a consumer and creator. Bolin chronicles her life in Los Angeles, dissects the Noir, revisits her own

coming of age, and analyzes stories of witches and werewolves, both appreciating and challenging the narratives we construct and absorb every day. *Dead Girls* begins by exploring the trope of dead women in fiction, and ends by interrogating the more complex dilemma of living women – both the persistent injustices they suffer and the oppression that white women help perpetrate. Reminiscent of the piercing insight of Rebecca Solnit and the critical skill of Hilton Als, Bolin constructs a sharp, perceptive, and revelatory dialogue on the portrayal of women in media and their roles in our culture.
