BOOK! Mike
Majlak was a
seventeen-year-old
from a loving,
middle-class family

in Milford, Connecticut, when he got caught up in the opioid epidemic that swept the nation. For close to a decade thereafter, his life was a wasteland of darkness and despair. While his peers were graduating from college, buying homes, getting married, having kids, and leading normal lives, Mike was snorting OxyContin, climbing out of cars at gunpoint, and burying his childhood friends. Unable to escape the noose of addiction, he eventually lost the	trust and support of everyone who had ever loved him. Alone, with nothing but drugs to keep him company, darkness closed in, and the light inside him--the last flicker of hope--began to dim. His dreams, potential, and future were all being devoured by a relentless addiction too powerful to fight. Despair filled him as he realized he wasn't going to survive. Somehow, he did... HE NOT ONLY SURVIVED, HE THRIVED. Now he's a social media personality with	millions of followers, and an entrepreneur, marketer, podcaster, YouTuber, and author who hopes to use his voice to shine a light for those whose own lights have grown dim. This is his story. Backlash Noble Romance Publishing LL If there were an emergency number for adulthood, Matt Kincaid would have dialed it months ago. Raising his kid brother alone is already an uphill battle, nevermind when an ugly gang initiation lands the teen in lockup. Again. Only, this time for a hate crime against a local

fight club, where settling debts isn't taken lightly. When the club offers to let Matt risk everything in a long-shot match with a man who's as brutally handsome as he is tough, he jumps at the chance. If Matt wins, all will be forgiven. If not? Well, he might as well move in, because 'The Law' will own his ass...for a very long time. There are no limits to what Lawson 'The Law' Gaumond will do to protect the club he and his former lovers built. An inner-city sanctuary where Anniston Falls' gay leather culture thrives, The Asylum Fight Club isn't an easy place, but it's home. Taking on a local hothead whose younger brother vandalized the space isn't high on his priority list, but there's

something about Matt that cries out for a firm hand. Lawson's never backed down from a fight, and he's not about to start when there's no way he can lose. When renewed gang violence erupts, spilling blood over The Asylum, Lawson and Matt must confront their pasts to find a way forward. Gunshots and knives should be harder to survive than this rough love, but coming to the ring armed with nothing but the truth is their greatest challenge of all.
