Walking Through the Beast New York : Garland Pub.

This book sheds new light on the dramatic works of the American playwright, poet, and lyricist Maxwell Anderson, assessing the pervasive influence of Greek and Roman antiquity on his plays that dominated Broadway in the first half of the twentieth century. Anderson is an important, though often forgotten, figure in the history of American drama and the Classical Tradition. The book highlights Anderson's remarkably creative use of classical antiquity, while also illustrating how he served as a first-hand witness and reactor to some of the main social and political events of his time. It explores Anderson's major theatrical works and adaptations of ancient Greek drama and poetry, including *Winterset*, *The Winged Victory*, the never-published *Ulysses Africanus*, and *Bad Seed*, as well as his later minor works. Anderson found in tragedians such as Aeschylus, Sophocles, and Euripides ideal models for the dramatic portrayal of human emotion amidst the social and political backdrop of the United States from the interwar period to the nuclear age, which this book seeks to explore at length for the first time. This volume is of interest to students and scholars of Classical Reception and the Classical Tradition, as well as those working on twentieth century American literature, drama, history, and politics.

Deadly Is the Night CARTER BOOKS

From New York Times bestselling authors Skye Warren, Kristen Ashley, Lexi Blake, and Rachel Van Dyken... Four Dark Tales. Four Sensual Stories. Four Page Turners. Behind Closed Doors by Skye Warren Marjorie Dunn is hiding in plain sight. The past can't find her at the peaceful inn she owns in a quiet coastal town in Maine. Until Sam Brewer walks through the door. He arrives in the dead of night, with a dark suit and storm-gray eyes. Marjorie knows better than to trust this stranger, but she can't resist his touch. Every kiss binds them together. Every night draws the danger close. She risks her heart with him, but more than that, she risks her life. The past has caught up with her. And it wants her dead. Gossamer in the Darkness by Kristen Ashley Their engagement was set when they were children. Loren Copeland, the rich and handsome Marquess of Remington, would marry Maxine Dawes, the stunning daughter of the Count of Derryman. It's a power match. The perfect alliance for each house. However, the Count has been keeping secret a childhood injury that means Maxine can never marry. He's done this as he searches for a miracle so this marriage can take place. The time has come. The marriage has to happen, or the contract will be broken. When all seems lost, the Count finds his miracle: There's a parallel universe where his daughter has a twin. He must find her, bring her to his world and force her to make the Marquess fall in love with her. And this, he does. Delighted by Lexi Blake Brian "Boomer" Ward believes in sheltering strays. After all, the men and women of McKay-Taggart made him family when he had none. So when the kid next door needs help one night, he thinks nothing of protecting her until her mom gets home. But when he meets Daphne Carlton, the thoughts hit him hard. She's stunning and hardworking and obviously in need of someone to put her first. It doesn't hurt that she's as sweet as the cupcakes she bakes. As Daphne and Boomer find themselves getting closer, outside forces put pressure on the new couple. But if they make it through the storm, love will just be the icing on the cake because family is the real prize. The Anti-Fan and the Idol by Rachel Van Dyken Ai-Ri has been training under YK Management in Korea for two years without any results. She doesn't fit the typical mold for a successful K-POP idol image, literally down to her blood type. She has six more months before college entrance exams which means she only has six months to make it as an idol before her dreams are crushed. Things take a turn when two of the most famous male idols break away from their group and decide to form their own co-ed group. And wonder of all wonders, they need one more girl. It would be the perfect opportunity, except she hates them. **Every 1001 Dark Nights novella is a standalone story. For new readers, it's an introduction to an author's world. And for fans, it's a bonus book in the author's series. We hope you'll enjoy each one as much as we do.**

Strictly off limits to the public, Plum Island is home to virginal beaches, cliffs, forests, ponds -- and the deadliest germs that have ever roamed the planet. Lab 257 blows the lid off the stunning true nature and checkered history of Plum Island. It shows that the seemingly bucolic island in the shadow of New York City is a ticking biological time bomb that none of us can safely ignore. Based on declassified government documents, in-depth interviews, and access to Plum Island itself, this is an eye-opening, suspenseful account of a federal government germ laboratory gone terribly wrong. For the first time, Lab 257 takes you deep inside this secret world and presents startling revelations on virus outbreaks, biological meltdowns, infected workers, the periodic flushing of contaminated raw sewage into area waters, and the insidious connections between Plum Island, Lyme disease, and the deadly West Nile virus. The book also probes what's in store for Plum Island's new owner, the Department of Homeland Security, in this age of bioterrorism. Lab 257 is a call to action for those concerned with protecting present and future generations from preventable biological catastrophes.

Male-female detective pairings often exhibit offbeat, dark humor and considerable chemistry as they investigate crimes. They have proven to be both entertaining and alluring on screen and television. This work reveals an evolutionary progression in the depictions of three detective duos: the married pair Nick and Nora Charles of *The Thin Man*, black-humored special agents John Steed and Emma Peel of *The Avengers*, and finally the smoldering Mulder and Scully in *The X-Files*. Ten chapters offer critical analysis, rich with background information and insider observations. Production comments are given throughout. Three appendices (one for each series) offer episode guides with original broadcast dates, credits and brief

synopses.

1001 Dark Nights: Bundle Forty-One Stephen Carr The Strugatsky brothers' poignant and introspective novel of first contact that inspired the classic film *Stalker* Red Schuhart is a stalker, one of those strange misfits who are compelled by some unknown force to venture illegally into the Zone and, in spite of the extreme danger, collect the mysterious artefacts that the alien visitors left scattered around. His life is dominated by the Zone and the thriving black market in the alien products. Even the nature of his daughter has been determined by the Zone.

And it is for her that Red makes his last, tragic foray into the hazardous and hostile depths. Readers can't stop thinking about *Roadside Picnic*: 'A story of a horrific yet fascinating place, a story of an ordinary and unlikable man just trying to get by, a philosophical interlude on humanity and its significance or lack thereof, of greed and wonder, and the fever dream of the soul scream. It still speaks to me' Goodreads reviewer, 'Such an intriguing setting for me, such an unusual take on alien interaction' Goodreads reviewer,

'It is a thought-provoking, hard-to-put down masterpiece, most probably the best introduction to Soviet science fiction. A must read for any sci-fi fan' Goodreads reviewer, 'A fantastic and creative exploration of what first contact might be like' Goodreads reviewer,

'The tone of the book is akin to that of some noir works, dark, gritty, getting darker and grittier as the tale wears on . . . Like many great books, the meaning of the ending is left up to the reader' Goodreads reviewer, 'A beautifully depressive and

wonderfully atmospheric science fiction novel about life on Earth after an alien "Visitation" that leaves humans with more questions than answers . . . Once I started reading it today, I couldn't stop. The story captured my heart and held my attention' Goodreads reviewer, 'This is the sort of book that you read and then immediately feel the need to lend it to someone you know so that they can experience and enjoy it themselves . . . I was truly astonished-

by both the poignancy and the deceptive(?) simplicity of this relatively short novel' Goodreads reviewer, *Bitter Pills and Deadly Potions* Llewellyn Worldwide

INTERNATIONAL BESTSELLER • A bestselling dystopian novel that tackles surveillance, privacy and the frightening intrusions of technology in our lives—a “compulsively readable parable for the 21st century” (Vanity Fair). When Mae Holland is hired to work for the Circle, the world’s most powerful internet company, she feels she’s been given the opportunity of a lifetime. The Circle, run out of a sprawling California campus, links users’ personal emails, social media, banking, and purchasing with their universal operating system, resulting in one online identity and a new age of civility and transparency. As Mae tours the open-plan office spaces, the towering glass dining facilities, the cozy dorms for those who spend nights at work, she is thrilled with the company’s modernity and activity. There are parties that last through the night, there are famous musicians playing on the lawn, there are athletic activities and clubs and brunches, and even an aquarium of rare fish retrieved from the Marianas Trench by the CEO. Mae can’t believe her luck, her great fortune to work for the most influential company in the world—even as life beyond the campus grows distant, even as a strange encounter with a colleague leaves her shaken, even as her role at the Circle becomes increasingly public. What begins as the captivating story of one woman’s ambition and idealism soon becomes a heart-racing novel of suspense, raising questions about memory, history, privacy, democracy, and the limits of human knowledge.
