The story of Jesus Christ goes much deeper than His crucifixion and resurrection. Few will dispute that a man named Jesus Christ lived 2,000 years ago and that He was a great teacher who impacted the world. Christ made a controversial claim—that He was the very Son of God, the long-prophesied Messiah—causing religious authorities in Jerusalem to reject Him, hate Him and eventually succeeded in having Him put to death. Likewise, the local Roman civil authorities also saw Him as a threat and became complicit in His execution. The religions of His day, both Judaism and paganism, opposed the growth of His teachings and used unlawful and violent means to try to destroy the Church He founded. The government of Rome also came to vigorously persecute the followers of this Jewish teacher from Galilee. Today, there is much confusion and questions concerning this controversial figure. Where can you go for the answers? The Bible. This Bible Study aid booklet, "Jesus Christ: The Real Story" will help explain what is written in the Bible about Jesus Christ. You can discover the answers to these questions and more: Who was Jesus Christ of Nazareth? Where did He come from? When was Jesus Christ born? What did Jesus teach? Was He God in the flesh? What did Jesus look like? Was He only a man? Why did He die? Discover the true, fascinating story

that so few understand. The story of the greatest Man who ever lived and the misunderstood message He preached—the gospel (good news) of the coming Kingdom of God! "Perhaps the boldest claim Jesus made about His identity was the statement, "Most assuredly, I say to you, before Abraham was, I AM" (John:8:58)...What

was going on here? Jesus was revealing His identity as the actual One whom the Jews knew as God in the Old Testament." "The New Testament writers cite messianic prophecies from the Old Testament more than 130 times. By some estimates the Old Testament contains 300 prophetic passages that describe who the Messiah is and what He will do. Of these, 60 are major prophecies. What are the chances of these prophecies being fulfilled in one person?" "A careful analysis of Scripture, however, clearly indicates that December 25 is an unlikely date for Christ's birth. Here are two primary reasons..." "How can we fit "three days and three nights" between a Friday-afternoon crucifixion and a Sunday-morning resurrection?"
