The lights of her parents' cabin just visible through the woods, the girl carefully curls up amongst the reeds, her knees pulled tight to her chest. Terrified, the only sound she makes is the pounding of her heart, but she hears the stranger searching... if she keeps silent, will she be safe? When Agent Tori Hunter is urgently called to the murder scene of Dan and Heidi Newman, she finds their throats slit, and Dan tied up: forced to watch his wife lose her life. Tori's first thought is for their seventeen-year-old daughter Cara who is nowhere to be found. Will this popular young girl be the next victim? A broken bracelet is the one clue left at the scene, but the team are running in circles until Tori finally tracks down Cara hiding in the woods.

Sobbing, the devastated girl says all she remembers is a flash of a man's face as she was chased through the forest... Desperate to find the monster behind this crime, Tori pieces together the broken chain: and it leads her to an elderly lady living alone nearby. When the woman won't speak to police, Tori senses that although it means breaking all the rules, introducing Cara will show this lonely soul what's at stake. And once inside her house, Cara gasps when she sees a framed photo on display. It's the man who chased her... But then another local couple is murdered in their isolated home, another husband forced to watch his worst nightmare unfold. As more couples lose their lives, can Tori keep Cara, her one witness, safe from this vicious killer? And can she track him down before more innocent families are torn apart? **Long Road to Justice** Blake Pierce

Founder of the Methodist Church, is one of the world's greatest religious figures. A practical rather than systematic theologian, he wrote and preached for the common man. He is well known as a man of one book (the Bible) but he read like no other during his time. We are left with fourteen volumes of his works and eight each of his letters and journals. His brother became the troubadour of Methodism, writing countless hymns. John also took classic Christian works and edited them for the common man to read. And if this were not enough, he preached thousands of times both indoors and out. J. Robert Ewbank examines In what Wesley thought about other religions. Did he think all religions were from God and therefore there was little difference between them, or did he think that there is uniqueness in Christianity? Was he concerned about other philosophies and thoughts about religion popular in his day? What did he think about Natural Man, the Indians, the Deists, the Jews, the Roman Catholics, and the Mystics? Were they also fine with him, or did he discuss the differences between them, revealing where he found them wrong? Furthermore, what did Wesley think about the possibility of salvation for all those who held to these other positions? Did he find that it is possible for them to be saved by a loving God, or have they stepped outside of the bounds, therefore requiring extreme difficulty to be saved? "In a time of

enormous stress on the entire human family as we try to understand, appreciate, and celebrate our diversity, J. Robert Ewbank has given us an excellent resource to help us deeply consider the issues and continue to affirm the core values and theology of the Christian movement." Rueben P. Job, author of *Three Simple Rules*.
