[9780618161256: Money and Banking: A Policy-Oriented ...](#)

Croushore's text brings a fresh perspective to the money and banking course - along with a new set of tools and resources. The book's emphasis on real world applications is bifocal - offering both a clear view of the role the banking system plays in individual financial activities and an examination of the more distant monetary policy-making that shapes the world's financial system.
