Dear Future Me
Klipspringer Press
"I am very madly in love with you," wrote Lyndon Johnson to his future wife, Bird Taylor. James Madison sent off this plaintive line to his wife Dolley: "Every thing around and within reminds me that you are absent." In this inspiring collection of correspondence between U.S. presidents and their wives are hundreds

of unguarded moments of affection, strain, grief, and triumph, revealing as never before the private thoughts and working partnerships of our most public figures. Culled from the holdings of the Library of Congress and various presidential libraries and private collections, it is the most comprehensive compilation of its kind ever put together. More than half of the letters included here have never before been published, making this a historic as well as a heartfelt volume that casts a warm, new light on our leaders at their

most open-hearted and vulnerable. Gerard Gawalt, a curator of presidential papers at the Library of Congress for the past thirty years, has divided the book thematically into such topics as love, war, politics, travel, and sorrow. Each letter appears in its entirety, with the original spelling and grammar intact, and is set in historic context for a full sense of the moment that formed its backdrop. In most cases, exchanges are included, forming an enlightening dialogue between husband and wife. Throughout, historic photographs and artwork from the

Library of Congress's collection enhance the text. Like its companion volume, *First Daughters, My Dear President* is bound to become a cherished gift for all those interested in American history for years to come. *Dear Lupin* Macmillan
FEATURED ON THE COVER OF TIME MAGAZINE AS A 2021 NEXT GENERATION LEADER “A once-in-a-generation voice.” – Vulture “One of our greatest living writers.” – Shondaland A full-throated and provocative memoir in letters from the New York Times bestselling author, “a dazzling literary talent whose works

cut to the quick of the spiritual self” (Esquire) In three critically acclaimed novels, Akwaeke Emezi has introduced readers to a landscape marked by familial tensions, Igbo belief systems, and a boundless search for what it means to be free. Now, in this extraordinary memoir, the bestselling author of *The Death of Vivek Oji* reveals the harrowing yet resolute truths of their own life. Through candid, intimate correspondence with friends, lovers, and family, Emezi traces the unfolding of a self and the unforgettable journey of a creative spirit stepping into power in the human world. Their story weaves through transformative decisions about their

gender and body, their precipitous path to success as a writer, and the turmoil of relationships on an emotional, romantic, and spiritual plane, culminating in a book that is as tender as it is brutal. Electrifying and inspiring, animated by the same voracious intelligence that distinguishes Emezi's fiction, *Dear Senthuran* is a revelatory account of storytelling, self, and survival.

Dear Sonali,
Letters to the
Daughter I Never
Had Penguin

The idea to write to you was not an easy one. The scar from where the bullet entered my back is still there. Jerry McGill was thirteen years old,

walking home through the projects of Manhattan's Lower East Side, when he was shot in the back by a stranger. Jerry survived, wheelchair-bound for life; his assailant was never caught. Thirty years later, Jerry wants to say something to the man who shot him. I have decided to give you a name. I am going to call you Marcus. With profound grace, brutal honesty, and devastating humor, Jerry McGill takes us on a dramatic and inspiring journey—from the

streets of 1980s New York, where poverty and violence were part of growing up, to the challenges of living with a disability and learning to help and inspire others, to the long, difficult road to acceptance, forgiveness, and, ultimately, triumph. I didn't write this book for you, Marcus. I wrote this for those who endure. Those who manage. Those who are determined to move on. *Letter from the Birmingham Jail* Createspace Independent

Nostalgic, witty, and little plan to give up original, Dear Lupin by Roger Mortimer and Charlie Mortimer tracks the entire correspondence between a father and his only son. When the book begins, Charlie, the son, is studying at Eton, although the studying itself is not a priority, much to his father's chagrin. After Charlie graduates and moves from South America to Africa and eventually back to London, Roger continues to write regularly, offering advice (which is rarely heeded) as well as humorous updates from home ("Your mother has had the flu. Her

spirits for Lent lasted three and a half days"). Roger's letters range from reproachful ("You may think it mildly amusing to be caught poaching in the park; I would consider it more hilarious if you were not living on the knife edge") to resigned ("I am very fond of you, but you do drive me round the bend"), but his correspondence is always filled with warmth, humor, and wisdom that offers unique insight into the relationship between father and son. *Willie Nelson's Letters to America* HarperCollins "Dear Jack,"

Barbara writes to her son. Through these letters and raw prose sections relating to them, she recounts the past and explores questions of motherhood, responsibility, guilt, and spirituality. In *Dear Jack: A Love Letter to My Son*, Barbara Bates Conroy shares her highly personal and tragic experiences with drug addiction, family discord, loss, and grief. When her son, Jack, passed away from a heroin overdose in 2015 after struggling with substance

abuse for years, Barbara continued to write letters to him. She always had, ever since he was a baby, through his difficult teenage years. It seemed the only thing to do: to keep writing to him, to keep trying to reach him. When her son died, the unimaginable for a parent, Barbara invested herself in grief workshops and alternative healing modalities, and found herself on a new spiritual path, one that proved crucial to moving her life forward, and to coping with her

past. With the aid of psychics, mediums, intuitives, and her cultivated powers of introspection and recognition, Barbara comes to terms with her own pain and power, as well as Jack's. Her unconventional memoir is an intimate, moving and unforgettable story. *All proceeds from Dear Jack go to The Jackson Scott Conroy Foundation, which was established following the tragic death of Jackson from an overdose at the age of twenty one. The Foundation is

dedicated to support teens and young adults suffering from opioid and heroin addiction. Costly treatment centers are often out of reach, and we will award scholarships and partial scholarships to fund treatment through an application process.

Letters to Open When... Canongate Books

A librarian's laugh-out-loud funny, deeply moving collection of love letters and breakup notes to the books in her life. If you love to read, and presumably you do since you've picked up this book (!), you know that some books affect you so profoundly they forever change the way you think about the world. Some books, on the other hand, disappoint you so much you want to

throw them against the wall. Either way, it's clear that a book can be your new soul mate or the bad relationship you need to end. In *Dear Fahrenheit 451*, librarian Annie Spence has crafted love letters and breakup notes to the iconic and eclectic books she has encountered over the years. From breaking up with *The Giving Tree* (a dysfunctional relationship book if ever there was one), to her love letter to *The Time Traveler's Wife* (a novel less about time travel and more about the life of a marriage, with all of its ups and downs), Spence will make

you think of old favorites in a new way. Filled with suggested reading lists, Spence's take on classic and contemporary books is very much like the best of literature—sometimes laugh-out-loud funny, sometimes surprisingly poignant, and filled with universal truths. A celebration of reading, *Dear Fahrenheit 451* is for anyone who loves nothing more than curling up with a good book...and another, and another, and another!
