Winner of the Michael L. Printz Medal “King’s narrative concerns are racism, patriarchy, colonialism, white privilege, and the ingrained systems that perpetuate them. . . . [Dig] will speak profoundly to a generation of young people who are waking up to the societal sins of the past and working toward a more equitable future.” —Horn Book, starred review “I’ve never understood white people who can’t admit they’re white. I mean, white isn’t just a color. And maybe that’s the problem for them. White is a passport. It’s a ticket.” Five estranged cousins are lost in a maze of their

family’s tangled secrets. Their grandparents, former potato farmers Gottfried and Marla Hemmings, managed to trade digging spuds for developing subdivisions and now they sit atop a million-dollar bank account—wealth they’ve refused to pass on to their adult children or their five teenage grandchildren. “Because we want them to thrive,” Marla always says. But for the Hemmings cousins, “thriving” feels a lot like slowly dying of a poison they started taking the moment they were born. As the rot beneath the surface of the Hemmings’ white suburban respectability destroys the family from within, the cousins find their ways back to one another, just in time to uncover the terrible cost of maintaining the family name. With her inimitable surrealism, award winner A.S. King exposes how a toxic culture of polite white supremacy tears a family apart and how one

determined generation can dig its way out. Falling Angels DigiCat An Orange Prize Finalist A Man Booker Prize Nominee Winner of the 2009 Betty Trask Prize A Guardian First Book Award Nominee Jake is in the tailspin of old age. His wife has passed away, his son is in prison, and now he is about to lose his past to Alzheimer’s. As the disease takes hold of him, Jake’s memories become increasingly unreliable. What happened to his daughter? Is she alive, or long dead? Why is his son imprisoned? And why can’t he shake the memory of a yellow dress and one lonely, echoing gunshot? Like Marilynne Robinson’s Gilead, The Wilderness holds us in its grip from the first sentence to the last with the sheer beauty of its language and its ruminations on love and loss. **Swing** Scholastic Inc. This brilliant novel with universal resonance tells the story of three people trying to survive in a city rife with the extreme fear of desperate times, and of the sorrowing cellist who plays undaunted in their midst. One day a shell lands in a bread line and kills twenty-two people as the cellist watches from a window in his flat. He vows to sit in the hollow where the mortar fell and play Albinoni's *Adagio* once a day for each of the twenty-two victims. The *Adagio* had been re-created from a fragment after the only extant score was firebombed in the Dresden Music Library, but the fact that it had been rebuilt by a different composer into

something new and worthwhile gives the cellist hope. Meanwhile, Kenan steels himself for his weekly walk through the dangerous streets to collect water for his family on the other side of town, and Dragan, a man Kenan doesn't know, tries to make his way towards the source of the free meal he knows is waiting. Both men are almost paralyzed with fear, uncertain when the next shot will land on the bridges or streets they must cross, unwilling to talk to their old friends of what life was once like before divisions were unleashed on their city. Then there is "Arrow," the pseudonymous name of a gifted female sniper, who is asked to protect the cellist from a hidden shooter who is out to kill him as he plays his memorial to the victims. In this beautiful and unforgettable novel, Steven Galloway has taken an extraordinary, imaginative leap to create a story that speaks powerfully to the dignity and generosity of the human spirit under extraordinary duress.

of the suburbs by his eccentric aunt for a “cheerfully irreverent” romp across Europe (The Guardian). Then, for the first time in fifty years, he sees his aunt Augusta at his mother’s funeral. With that, she whisks her nephew out of Brighton and boards the Orient Express bound for Paris and Istanbul, then on to Paraguay, and down the rabbit hole of her past that swarms with swindlers, smugglers, war criminals, and rather unconventional lovers. With each new stop, Henry discovers not only more about his aunt and her secrets but also about himself as

Her sister was captured in Iraq, she's the resident laughingstock at school, and her therapist tells her to count instead of eat. Can a daring new girl in her life really change anything? Angie is broken — by her can-be-bothered mother, by her high-school tormenters, and by being the only one who thinks her varsity-athlete-turned-war-hero sister is still alive. Hiding under a mountain of junk food hasn't kept the pain (or the shouts of "crazy mad cow!") away. Having failed to kill herself — in front of a

gym full of kids — she's back at high school just trying to make it through each day. That is, until the arrival of *KC Romance*, the kind of girl who doesn't exist in Dryfalls, Ohio. A girl who is one hundred and ninety-nine percent wow! A girl who never sees her as Fat Angie, and who knows too well that the package doesn't always match what's inside. With an offbeat sensibility, mean girls to rival a horror classic, and characters both outrageous and touching, this darkly comic anti-romantic romance will appeal to anyone who likes entertaining and meaningful fiction. *Deep Water*

Jane Brocket delights in domesticity. Lively, curious, and creative, she takes inspiration from her surroundings, from art, literature, and nature, and expresses her passion through the gentle arts of needlework, cooking, gardening, and homemaking--and now through her writing. In "The Gentle Art of Domesticity" Brocket celebrates everything that is, and can be, wonderful about home life. This

gorgeous and unusual book, full of whimsy, warmth, and a wealth of stunning photographs, helps us to see domesticity with new eyes. Whether she's knitting a tea cozy or baking jam tarts, crocheting a blanket or sewing an apron, Brocket fills her home with beauty, color, and fun. She transforms day-to-day domesticity into a realm of possibilities, both practical and imaginative--and encourages us to do the same in our own lives. Rather than categorize readers as quilters or embroiderers, bakers or gardeners, Brocket embraces the idea that they may be all of these, and more. The key to practicing any of the domestic arts, she says, is to recognize the value of homemaking, overlooked skills, and ordinary things. This book's glorious synthesis of style, DIY projects, and philosophical musings inspires us not only to emulate Brocket's handmade creations but also to share her enjoyment of the simple pleasures of home.
To Say Nothing of the Dog

"An Old-Fashioned Girl" by Louisa May Alcott is a heartwarming novel that contrasts traditional values with the changing societal norms of the late 19th century. Polly Milton, a simple and modest country girl, travels to the bustling

city to stay with her affluent friend, Fanny Shaw, and her family. Alcott deftly addresses the tension between old-fashioned morals and the materialistic temptations of contemporary life via Polly's experiences. The novel tackles the problems and rewards of retaining one's integrity and simplicity in the face of society pressures, set against the backdrop of two opposing universes. Polly's interactions with the Shaw family, particularly with Fanny's brother Tom, highlight the intricacies of personal development and the impact of individual choices on relationships. Alcott's story is a riveting commentary on women's changing positions in society, as well as a celebration of the everlasting ideals of compassion, humility, and genuine friendship. Readers are asked to ponder on the necessity of keeping true to oneself and the importance of genuine connections in a shifting world as Polly navigates the trials of city living. "An Old-Fashioned Girl" embodies Alcott's trademark blend of likeable characters, moral precepts, and a dash of romance.
