A hang-onto-your-hat-and-heart thriller of triumph and tragedy that barrels along at F. Paul Wilson's trademark breakneck pace, *Harbingers* It starts off so simply: Jack, still feeling down after the tragic events of *Infernal*, is hanging in Julio's when a regular named Timmy asks him for help. His teenage niece has been missing since this morning; the police say it's too early to worry, but Timmy knows something bad has happened. Jack says he'll put the word out on the street. This innocent request triggers a chain of seemingly coincidental events that lead Jack into the darkest days of his life. As has become evident in the series, Jack has been singled out, unwillingly, as the champion of one of the two supernatural forces contending for control of all human life on Earth. Neither of these forces are

good or evil, just dangerous and amoral.

They value and notice individual humans about as much as we do mosquitos. Jack is desperate . . . and the last thing you want to do is make Jack desperate. That's when things begin to blow up and people begin to die. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied. LURED FROM THE SAFETY OF HOME -- INTO THE JAWS OF HELL "America's principal chronicler of its greatest psychopathic killers" (The Boston Book Review), Harold Schechter shatters the myth that violent crime is a modern phenomenon -- with this seamless true account of unvarnished horror from the early twentieth century. Journey inside the demented mind of Albert Fish -- pedophile, sadist, and cannibal killer -- and discover that bloodlust knows no time or place.... On a warm spring day in 1928, a kindly, white-haired man appeared at the Budd family home in New York City, and soon persuaded Mr. and Mrs. Budd to let him take their adorable little girl, Grace, on an outing. The Budds never guessed that they had entrusted their child to a monster. After a relentless six-year search and nationwide press coverage, the mystery of Grace Budd's disappearance was solved -- and a crime of unparalleled gore and revulsion was revealed to a stunned American public. What Albert Fish did to Grace Budd, and perhaps fifteen other young

He's Vanover University's panty-meltingly hot quarterback. He's the king of the campus, a beast on and off the field. And totally off-limits to me. My father is Vanover football's head coach and Hunter is his star player. But my dad hears the locker room chatter and sees the jersey chasers lineup outside the showers begging for the chance to be taken by the #1 draft pick. And according to him, Hunter is the worst of the bunch-filthy, depraved, and rotten down to his core. But I made a terrible mistake...I walked past the locker room and got a glimpse of more than I could handle.

Hundreds of girls on campus whisper that Hunter's packing a monster in his jock-strap...and they aren't lying. I didn't know men could look like him in real life. But he saw me gawking, and now he wants to show me first-hand what it feels like to be underneath his 6'5" frame and 240lbs of pure muscle. I told him I'm a virgin. I told him I want exclusivity. I told him I want love. And he gave me a baby.

Fifty Years of Begging Random House  
Pop culture history meets blood-soaked memoir as Adam Rockoff, “ a passionate fan of the horror genre in all its forms, ” (The New York Times) recalls a life spent watching blockbuster slasher films, cult classics, and everything in between. Horror films have simultaneously captivated and terrified audiences for generations, racking up millions of dollars at the box office and infusing our nightmares with chainsaws, goblins, and blood-spattered machetes. Today ’ s hottest television shows feature classic horror elements, from marauding zombies and sexy vampires to myriad incarnations of the devil himself. Yet the horror genre and its controversial offshoots continue to occupy a nebulous space in our critical dialogue. The Horror of It All is a memoir from the front lines of the horror industry that dissects (and occasionally defends) the massively popular phenomenon of scary movies. Author Adam Rockoff delivers “ the sharpest pop culture criticism you ’ ll find in any medium today, ” (Rue Morgue) as he traces the highs and lows of the genre through the lens of his own obsessive fandom, which began in the horror aisles of his childhood video store and continued with a steady diet of cable trash. From the convergence of horror and heavy metal, to Siskel and Ebert ’ s crusade against the slasher flick, to the legacy of the Scream franchise, and the behind-the-scenes work of horror directors and make-up artists, Rockoff mines the rich history of the genre, braiding critical analysis with his own firsthand experiences as a horror writer and producer. Filled with mordant wit and sharp insight, The Horror of It All “ is an amiable and often amusing guide ” (Kirkus

A consummate and innovative entrepreneur and fundraiser, by the 1950s Dr. J. Calvitt Clarke was running the world's largest Protestant organization dedicated to the

welfare of children. Yet while Dr. Clarke's life and accomplishments make him one of the twentieth century's foremost and beloved figures in philanthropy, his legacy is sometimes recorded with confusion, contradiction, and even outright error. In *Fifty Years of Begging*, Dr. J. Calvitt Clarke III, author and grandson to Dr. Clarke, navigates the complexities of Dr. Clarke's personality and intellectual life and yes, even their contradictions to offer a detailed and heartfelt profile of this compelling man. Based on hundreds of newspapers and extensive archival research including a large cache of family papers *Fifty Years of Begging* is inspired by Dr. Clarke's own badly fragmented and scattered manuscript of his unfinished memoirs. Although both Dr. Clarke and his grandson called Richmond their home, while growing up the author did not know his grandfather well. On the other hand, his work on his grandfather Clarke's biography did set him on an exciting and enjoyable road of discovery, one that would reveal Dr. J. Calvitt Clarke's proud heritage and lasting legacy of philanthropy and service.
