When Light Yagami finds a notebook giving him power over death, will he use it for good—or evil? Light Yagami is an ace student with great prospects--and he's bored out of his mind. But all that changes when he finds the Death Note, a notebook dropped by a rogue Shinigami death god. Any human whose name is written in the notebook dies, and now Light has vowed to use the power of the Death Note to rid the world of evil. But when criminals begin dropping dead, the authorities send the legendary detective L to track

down the killer. With L hot on his heels, will Light lose sight of his noble goal...or his life?

Light--working as Kira, the newest member of the NPA intelligence bureau, and L--has nearly succeeded in creating his ideal world. But the years of uncontested victory have made him complacent, and he is unprepared for a new attack close to home. With his younger sister Sayu kidnapped and the NPA's Death Note demanded as ransom, Light must travel across the world and confront two new adversaries, each with a very different agenda. Will Light's quick wits be a match for this new challenge, or will he be forced to choose between Kira's ambitions and his own family's lives?

An American documentarian travels a haunted highway across the frozen tundra of Siberia in New York Times bestselling author Christopher Golden's *Road of Bones*, a "tightly wound, atmospheric, and creepy as hell" (Stephen King) supernatural thriller. Surrounded by barren trees in a snow-covered wilderness with a dim, dusky sky forever overhead, Siberia's Kolyma Highway is 1200 miles of gravel packed permafrost within driving distance of the Arctic Circle. A narrow path where drivers face such challenging conditions as icy surfaces, limited visibility, and an average temperature of sixty degrees below zero, fatal car accidents are common. But motorists are not the only victims of the highway. Known as the Road of Bones, it is a massive graveyard for the former Soviet Union's gulag prisoners. Hundreds of

thousands of people worked to death and left where their bodies fell, consumed by the frozen elements and plowed beneath the permafrost road. Fascinated by the history, documentary producer Felix “Teig” Teigland is in Russia to drive the highway, envisioning a new series capturing Life and Death on the Road of Bones with a ride to the town of Akhust, “the coldest place on Earth”, collecting ghost stories and local legends along the way. Only, when Teig and his team reach their destination, they find an abandoned town, save one catatonic nine-year-old girl—and a pack of predatory wolves, faster and smarter than any wild animals should be. Pursued by the otherworldly beasts, Teig’s companions confront even more uncanny and inexplicable phenomena along the Road of Bones, as if the ghosts of Stalin’s victims were haunting them. It is a harrowing journey that will push Teig beyond endurance and force him to confront the sins of his past.

I had to accept that I wasn’t just Arthur Leywin anymore, and that I could no longer be limited by the circumstances of my birth. If I was going to escape, if I was going to go toe-to-toe with the most powerful beings in this world, I needed to push myself to my utmost limit...and then I needed to push even further.

After nearly dying as a victim of his own strength, Arthur Leywin wakes to find himself far from the continent where he was born for the second time. Alone, broken, and with no way to tell his family he’s alive, Arthur must rebuild his strength to survive. As he ascends through an ancient dungeon filled with

hostile beasts and devious trials, he discovers an ancient, absolute power - a power that will either ruin him or take him to new heights. But the dungeon won't give up its knowledge easily.

Before he can plunder its depths, Arthur must learn to untangle the threads of fate. He must band together with the unlikeliest of allies if he hopes to escape with his life.
