Things starts looking up, though, when tall, dark, and handsome Gabriel Angeloscuro agrees to rent the empty apartment in Maddy's building. It's probably just a coincidence that as soon as he moves in, demons appear on the front lawn. Powers that place her directly between the light of Heaven, and the fires of Hell...

But that's just the tip of the iceberg for Cassandra Palmer, aka the Pythia, the freshly minted chief seer of the supernatural world. After all, Cassie still has to save a friend from a fate worse than death, deal with an increasingly possessive master vampire, and prevent a party of her own acolytes from unleashing a storm of fury upon the world. Totally just your average day at the office, right?

From the New York Times – bestselling author of *Spider's Bite* comes a sequel that's “just as hard-edged and compelling as the first” (Romantic Times). Curiosity is definitely going to get me dead one of these days. Probably real soon. I'm Gin Blanco. You might know me as the Spider, the most feared assassin in the South. I'm retired now, but trouble still has a way of finding me. Like the other day when two punks tried to rob my popular barbecue joint, the Pork Pit. Then there was the barrage of gunfire on the restaurant. Only, for once, those kill shots weren't aimed at me. They were meant for Violet Fox. Ever since I agreed to help Violet and her grandfather protect their property from an evil coal-mining tycoon, I'm beginning to wonder if I'm really retired. So is Detective Donovan Caine. The only honest cop in Ashland is having a real hard time reconciling his attraction to me with his Boy Scout mentality. And I can barely keep my hands off his sexy body. What can I say? I'm a Stone elemental with a little Ice magic thrown in, but my heart isn't made of solid rock. Luckily, Gin Blanco always gets her man . . . dead or alive. “A fantastic sequel in every respect . . . This second installment is even more steamy, suspenseful, and full of mystery and adventure. Packed with pulse-pounding action and suspense, this urban fantasy truly delivers.” —SciFiChick.com
