An intersectional history of the shared struggle for African American and Latinx civil rights Spanning more than two hundred years, An African American and Latinx History of the United States is a revolutionary, politically charged narrative history, arguing that the “ Global South ” was crucial to the development of America as we know it. Scholar and activist Paul Ortiz challenges the notion of westward progress as exalted by widely taught formulations like “ manifest destiny ” and “ Jacksonian democracy, ” and shows how placing African American, Latinx, and Indigenous voices unapologetically front and center transforms US history into one of the working class organizing against imperialism. Drawing on rich narratives and primary source documents, Ortiz links racial segregation in the Southwest and the rise and violent fall of a powerful tradition of Mexican labor organizing in the twentieth century, to May 1, 2006, known as International Workers ’ Day, when migrant laborers—Chicana/os, Afrocubanos, and immigrants from every continent on earth—united in resistance on the first “ Day Without Immigrants. ” As African American civil rights activists fought Jim Crow laws and Mexican labor organizers warred against the suffocating grip of capitalism, Black and Spanish-language newspapers, abolitionists, and Latin American revolutionaries coalesced around movements built between people from the United States and people from Central America and the Caribbean. In stark contrast to the resurgence of “ America First ” rhetoric, Black and Latinx intellectuals and organizers today have

historically urged the United States to build bridges of solidarity with the nations of the Americas. Incisive and timely, this bottom-up history, told from the interconnected vantage points of Latinx and African Americans, reveals the radically different ways that people of the diaspora have addressed issues still plaguing the United States today, and it offers a way forward in the continued struggle for universal civil rights. 2018 Winner of the PEN Oakland/Josephine Miles Literary Award

The first book in the *Treasures of the Nile* series *Anippe* has grown up in the shadows of Egypt's good god Pharaoh, aware that Anubis, god of the afterlife, may take her--or her siblings--at any moment. She watched him snatch her mother and infant brother during childbirth, a moment which awakens in her a terrible dread of ever bearing a child. When she learns that she is to become the bride of Sebak, a kind but quick-tempered Captain of Pharaoh Tut's army, Anippe launches a series of deceptions with the help of the Hebrew midwives--women ordered by Tut to drown the sons of their own people in the Nile--in order to provide Sebak the heir he deserves and yet protect herself from the underworld gods. When she finds a baby floating in a basket on the great river, Anippe believes Egypt's gods have answered her pleas, entrenching her more deeply in deception and placing her and her son Mehy, whom handmaiden Miriam calls Moses, in mortal danger. As bloodshed and savage politics shift the balance of power in Egypt, the gods reveal their fickle natures and Anippe wonders if her son, a boy of Hebrew blood, could one day become king. Or does the god of her Hebrew servants, the one they call El Shaddai, have a different plan for them all?
