Explores every facet of water and examines the issues surrounding water scarcity and what can be done to ensure that humans have plenty of clean water in the future. By the best-selling author of *The Wal-Mart Effect*. Reprint.

The Big Thirst Christie Anderson

A new epic fantasy series begins. Song of Dragons tells a story of blood, steel, and dragonfire. **BOOK ONE: BLOOD OF REQUIEM** Long ago stood the kingdom of Requiem, a land of men who could grow wings and scales, breathe fire, and take flight as dragons. Requiem ruled the sky. But Dies Irae, a tyrant leading an army of griffins, hunted Requiem's people, burned their forests, and shattered their temples. Requiem fell. This ancient land now lies in ruin, its halls crumbled, its cries silenced, its skeletons littering the burned earth. In the wilderness, a scattering of survivors lives in hiding. The griffins still hunt them, and every day promises death. Will Requiem's last children perish in exile... or once

more become dragons and fly to war?

Courtship of the Recluse Createspace Independent Pub

This is true story about real people is set in Edinburgh City and Dundee, where a petite Scottish Lassie called Rosie Gilmour, mother to Finlay Sinclair, receives news of the death of her son - who tragically has taken his own life by hanging. Rosie pretends her son is still alive by talking to him, for that takes away the unbearable pain of her loss. But once she begins to face up to the fact that Finlay is not coming back, her conversations become more of a challenge than she can handle. When memories of her past are triggered by everyday life events, they take her mind back and forth in time - back to her own childhood days in 1960, when she flirted

with the fairground boys, and to the day she gave birth to Finlay - "ME LADDIE". Rosie's Scottish accent becomes more apparent whenever her emotions are heightened and she begins to recite poetry. She goes on to reveal doubts about her own self-worth and how she re-unites her role as mother - a role she had denied herself for seven years prior to Finlay's death. Rosie learns how to forgive herself and how to accept her loss with using practical coping strategies that sometimes but not always work for her. Many voices of different natures and walks of life appear in Rosie's, story with each one offering a part of their own belief to try and console her in her misery - except that she turns her back on any advice or support offered. Rosie is convinced that she can cope with her loss

on her own and “needs no help from anyone, thank you” - until a sweet, gentle, soft-spoken voice begins to travel with her throughout her ordeal, leaving her no other choice but to listen. Eventually moving to the countryside in Angus, Rosie finds the isolation gives her life a new meaning offering her the opportunity to re-value her beliefs about her own self values and decides the time has come to give her son a memorial service and invite a chosen few dance companions whom she met on a regular basis in Edinburgh to honour this day. Rosie begins to accept she will never be the same person she once had been and shall never be again, believing now her journey through grief taught her many lessons making her a stronger and better person than she imagined she could ever

Rogue Wave Christie Anderson
A landmark book by marine biologist Wallace J. Nichols on the remarkable effects of water on our health and well-being. Why are we drawn to the ocean each summer? Why does being near water set our minds and bodies at ease? In *BLUE MIND*, Wallace J. Nichols revolutionizes how we think about these questions, revealing the remarkable truth about the benefits of being in, on, under, or simply near water. Combining cutting-edge neuroscience with compelling personal stories from top athletes, leading scientists, military veterans,

and gifted artists, he shows how proximity to water can improve performance, increase calm, diminish anxiety, and increase professional success. BLUE MIND not only illustrates the crucial importance of our connection to water-it provides a paradigm shifting "blueprint" for a better life on this Blue Marble we call home.

Crazy Harlequin Books

Based on the award-winning feature-length movie, Bear City: The Novel follows the funny, romantic, and often dramatic adventures of a tight-knit pack of bears, cubs, and friends in New York City as they gear up for a big party weekend. A hirsute Sex and the City set in the "Bear" scene, this story brings together these men, their friends, tricks, and lovers, and a cast of colorful, hirsute characters. They experience comical mishaps, lusty and romantic encounters, and an impressive variety of male body types. Using satire and humor, the novel exposes their explores these men's self-image issues and pokes fun at aspects of urban gay lifestyles, all while celebrating the worldwide community of men who call themselves Bears. The Complete Practical Fishpond Book H Ngm N Books

This novel is just a figment of my imagination and does not depict the views of my personal opinion. In memory of the dearly departed, I would like to bow my head in a moment of silence for all the fallen soldiers who didn't get a chance to see life for the way it was meant to be viewed. For our predecessors who've been misguiding our young minds of the ghettos for far too long. For those who helped to prevent prosperity from ever reaching its full potential. For the many demons of their own destruction, who truly believe that genocide is the only way to properly represent their neighborhoods with pride. For the athletic, or intellectual being, who seem -to have missed their true calling for dedicating so much of their lives to the lost cause of gang violence, we say no more! If we don't stand for something, we will eventually start falling for anything. It's time to wake up, and build up to the expectation of our own greatness! If not, the very future of our children, and our children's, children's lives will one day depend on it..

A Deeper Blue Independently Published
My aim in this book is to give essential advice on all the main aspects of freshwater garden fish ponds. I have tried to include some of the science of ponds while keeping the information easy to understand. Each chapter begins with an outline of the main points of the topic. Each point is then expanded on. My experience with ponds has mainly been in the warm temperate climate in Perth, Western Australia. The principles for fish ponds are similar worldwide but warm temperate climates like that of Perth

intensify some of the problems in ponds. This book will therefore be particularly useful to pond owners in sunny climates. The book begins with pond design, starting with the position of the pond in the garden. I discuss the consequences of different pond sizes and depths, and of natural and artificial ponds. I talk about the advantages of a dual pond system. I give guidelines for these and for self-cleaning ponds. I also say why I recommend designing the pond with a sump, overflow, leaf skimmer, and automatic top-up valve. Lastly, I give my colour preference for the pond bottom and sides. Next, I advise on pond construction. Ponds can be built with concrete, bricks, rigid polyethylene, fibreglass or liners. I write about my experiences with ponds made from each of these materials and also my preferences for pipework materials. In the following chapter, I recommend various pumps, filters (including ultraviolet clarifiers), water features, underwater lights and copper ionizers. Choosing the right equipment will give you the right effect for the lowest cost and for the least effort. The chapter on fish gives information on types of fish, especially goldfish and koi. I advise on when a new pond is ready for fish and on the number of fish a pond can support. I give information on the handling, transporting, and feeding of fish, and on diseases and predators. The next chapter delivers general information on water plants, why you should have them and their role in the ecology of the pond. Plants provide shade, oxygen, food, habitat and cover from predators. They filter toxins and excessive nutrients from the water. I give advice on keeping plants, including information on fertilizer and pests. Finally, I give recommendations for pond

maintenance including a routine. My advice is directed at pumps, filters, pond cleanliness, exchanging water and maintaining the pH and hardness. The maintenance is largely directed at algae control. I discuss the various forms of nuisance algae and control methods for microalgae, blanket weed, and slime algae. Other advice includes information on water testing and water treatments. Maintaining good water quality is fundamental to the success of any fish pond. "Good" water quality means the water's suitability for its proposed purpose. Water quality is affected by every aspect of a pond, from its design and construction to its pumps, filters and maintenance. Each chapter of this book tells how each aspect of the pond affects the water. Every fish pond is different. The solutions to one pond's problems may be very different to another pond's.

The Ylem Christie Anderson

Imara Covington has always known that she comes from a family of strong women. Only after an unexpected journey to the quaint town of Edenton, North Carolina, do the family secrets begin to unravel. Once she thought of her family as her safety net and her home as a haven, but now Imara is forced to confront the long buried secrets that are at the center of her family's strength. Part one introduces us to Imara Covington, a successful caterer who loves her work almost as much as she loves her family. What Imara doesn't know is that she comes from a family of witches and this installment starts the story of discovery for Imara. Delve into the creepy world of The Covington Witches, today. This serialized

novel is a great, quick read.

Words in Deep Blue Little, Brown

CRAZY A MEMOIR is a humorous, adventuresome romp about weed smuggling in the seventies and eighties. The author chronicles his early life in San Antonio and the influence of the growing drug culture during his teen years. He then comically depicts his required military service as a "tie-dyed hippie in army greens" and his determined attempts to stay out of Viet Nam. Lost and unsure about life following the drug related deaths of most of his friends, he later hitchhikes around Mexico and ends up attending college in Cholula where he begins his career in weed smuggling. His entrepreneurial efforts in this area are humorously described in great detail. The book captures a slice of time, tying in political and cultural events with the author's concomitant psychological development during the hippie movement as well as his evolving career as a drug smuggler for the Cause.

"Anderson is the newest and hottest writer there is. It is believed that if this series goes as hot as we think it is, it will be better than Twilight! Stephenie Meyer, look out!" ~Young Readers Group of Maine"Every once in a while I come across a writer that is such a great storyteller, I can't put the book down. I forget where I am, what time it is, and if there's anyone around me... Christie Anderson is such a writer." ~Karen Hoover, Author of The Wolfchild SagaBook 1 of the Water Keepers series. A sweet, mysterious teen romance with a refreshing fantasy twist. California teen Sadie James thinks her life couldn't get any better. She has great friends, an energetic mother she adores, and the beach practically in her own backyard. But her carefree life is turned upside down when she's rescued by a mysterious and

strangely familiar boy who won't even tell her his name. Each time the boy appears, Sadie's unexplainable attraction to him deepens along with her need to unravel his secrets. The boy is there to protect her, but as wonderful and exciting as it might be to have an irresistible boy with crystal green eyes protecting her every move, every minute of the day...why does Sadie need one? As Sadie finds answers, she realizes her life isn't as perfect as she thought. Not only is she caught in a world of dangerous secret agents she never knew existed, but it turns out her true identity may be the greatest secret of all.

Little Harry Rabbit and the Yeahbut

Christie Anderson

"Pritt's world is rich, vivid, intimate, and somewhat troubled." - Justin Taylor in Poetry "The flights and whims of Pritt's

imagination hit hardest when he creates a form inside which they can ricochet. [...] In these moments, the poems [...] arrive at a place of vulnerability and sincerity." - Publishers Weekly "The only person more dangerous than a dark-hearted man is a dark-hearted man on a sunny day." - Melissa Broder in The Rumpus Tough Call Black, Brown and Beige Publishing
Flood Rising is Book 4 of The Water Keepers series. Sadie is excited to start her new life on Ambrosia training to become a Water Keeper, and it's even more thrilling to finally be in a semi-normal relationship with the love of her life, Rayne. But the Council has made great exceptions to the laws in order to let Sadie enroll at the

Academy, and the Council doesn't give out favors freely. They expect something in return. Not only is she exhausted allowing Orion and the Council to study her abilities, but Sadie feels a sick feeling deep inside that Orion is up to no good. To make matters worse, images of Voss continue to haunt her dreams, and somehow, Sadie knows she's the only one who can find him back on Earth and stop his evildoings once and for all.

Little Harry Rabbit and the Yeahbut is a

story about a good little rabbit, that always does the right thing. However, Daddy Harry Rabbit doesn't see it that way. Unbeknownst to Daddy Harry Rabbit there is a visitor that has come to live with him and Little Harry Rabbit. It is not until Grandma Harry Rabbit points out that the visitor is a little mythical creature called a Yeahbut, that Daddy Harry Rabbit see the cute little guy. Up until then Daddy Harry Rabbit thinks that Little Harry Rabbit is continually defying his requests, by saying "Yeah, but, Daddy." The book has many great lessons for children. Touching on everything from brushing their teeth to keeping their rooms clean and tidy. Little Harry Rabbit and the Yeahbut will be a favorite bedtime read for parents and children alike.

Rules of Possession

Shawn has a skyrocketing musical career, fans, fame, money, a beautiful girlfriend and all the women he wants. Everything changes when he falls asleep in a castle tower and wakes up in medieval Scotland. Mistaken for the castle's future laird, he is forced to make a dangerous cross-country trek with a beautiful woman wielding a knife, pursued by English soldiers and a Scottish traitor, to raise men for the critical battle at Bannockburn. Niall Campbell, Shawn's opposite in everything except looks, is no more happy to find himself caught in Shawn's life, pursued by women, the target of an angry girlfriend, expected to play a sell-out concert, and hearing the account of his own death and Scotland's annihilation at

Bannockburn. He vows to figure out what went wrong at the battle, and find a way back to change it. Blue Bells of Scotland is both an action-packed adventure and a tale of redemption that will be remembered long after the last page has been turned

Have you ever wondered: What it's like to daily bet hundreds of thousands of dollars working for some of the largest professional gamblers in Las Vegas? ... How to spend a summer house sitting one of the biggest stars in the world's 11,000 square-foot mansion - without an invitation from it's celebrity owner ... Whether the life of crime - specifically, running a shoplifting ring in a middle American mall - pays? ... What causes a son to finally say enough is enough ... and decide "Today is the day I am going to kill my dad." Comedian Brandt Tobler has the answers in this funny, touching and sometimes downright unbelievable memoir of a small town Wyoming-kid turned "mall-fia" don, turned nationally touring comic. Brand tells his life story with candor, detailing the many pit stops, wrong turns, crazy connections and lucky breaks he experienced along the way to his comedy career, all while trying to balance a toxic relationship with his unreliable jailbird dad. In these pages Brandt will make you laugh (he better - it's his job!) and believe as he does that, when it comes to defining family, blood isn't always thicker than water. -- back

cover.

Blue Mind Hodder Children's Books

Chase Williams is a demon hunter in the Circle, or at least he was supposed to be. On his fifteenth birthday, Chase stepped up to the altar to claim his elemental power, but it never came. Elemental magic is passed down to a hunter through the bloodline, but on Chase's birthday, the bloodline stopped. Exiled without the Circle's protection, Chase has spent two years trying to survive a world riddled with half-demons and magic. When he has a run in with a frightened and seemingly innocent demon, he learns the Circle's agenda has changed: the Circle plans to unlock a portal and unleash pure-blood demons into the world. Vowing to stop them, and knowing he can't do it alone, Chase forms a reluctant alliance with Rayna - a sexy witch with an attitude and a secret. In

their attempt to stop them, Chase and Rayna find themselves in the middle of the Circle's plan, leaving one of them to decide what their friendship is worth, and the other's life depending on it.
