"Defiance Rising" was a
fantastic dystopian YA novel
that I thoroughly enjoyed! I
loved that Amy Miles was
able to incorporate
romance, humor, sarcasm,
action, drama, and
suspense. Sometimes,
however, I could do without
love triangles; they're so
freaking frustrating! I loved
the characters, especially

Illyria and Bastien.

Defiance Rising I generally love a good sci-fi dystopia, but this one fell a little flat for me. It got off to a great start, but I quickly stopped enjoying Illyria's sarcastic

attitude that seemed to pervade every conversation she had. Her first trip to the city left me tons of questions - in a good way - it was very well done.
