Definition Essay: Love. Love is something that means very different things to different people. For some, love can be purely romantic, or even purely sexual. For others, real love is utterly unconditional and only truly exists between family

members, or between people
and a deity. And for some
people, love is fluid, ever
changing, and everywhere,
and is felt for family, friends,
partners, pets, and even
inanimate objects, dead
artists, and fictional
characters.
