The Science of Right in Leibniz's Moral and Political Philosophy Primedia Scrapbooking

In *Frontier Fictions*, Firoozeh Kashani-Sabet looks at the efforts of Iranians to

defend, if not expand, their borders in the nineteenth and early twentieth centuries, and explores how their conceptions of national geography influenced cultural and political change. The "frontier fictions," or the ways in which the Iranians viewed their often fluctuating borders and the conflicts surrounding them, played a dominant role in defining the nation. On these borderlands, new ideas of citizenship and nationality were unleashed, refining older ideas of ethnicity. Kashani-Sabet maintains that land-based conceptions of countries existed before the advent of the modern nation-state. Her focus on geography enables her to explore and document fully a wide range of aspects of modern citizenship in Iran, including love of homeland, the hegemony of the Persian

language, and widespread interest in archaeology, travel, and map-making. While many historians have focused on the concept of the "imagined community" in their explanations of the rise of nationalism, Kashani-Sabet is able to complement this perspective with a very tangible explanation of what connects people to a specific place. Her approach is intended to enrich our understanding not only of Iranian nationalism, but also of nationalism everywhere. A Critical Dictionary of English Literature and British and American Authors, Living and Deceased, from the Earliest Accounts to the Latter Half of the Nineteenth Century Lulu.com Welcome to a book-lover's best friend! considered approach to the love of books!

Wesleyan-Methodist Magazine John Benjamins Publishing

More than fifty specialists have contributed to this new edition of volume 1 of The Cambridge Bibliography of English Literature. The design of the original work has established itself so firmly as a workable solution to the immense problems of analysis, articulation and coordination that it has been retained in all its essentials for the new edition. The task of the new contributors has been to revise and integrate the lists of 1940 and 1957, to add materials of the following decade, to correct and refine the bibliographical details already available, and to re-shape the whole according to a new series of conventions devised to give greater clarity and consistency to the entries.

Emotion, Design and Material Culture Oxford University Press, USA

Popular author and pastor Mike Slaughter examines the two components of every miracle: divine action and human responsibility. For a real miracle to take place, we must act with God, using whatever gifts, talents, and abilities we have and directing them toward God's work. We

need to follow the examples of Mary in the birth of Jesus, Jesus' followers when he healed them, and Jesus' disciples after he rose from the dead. This Youth Study Book takes the ideas presented in Mike Slaughter ' s book and interprets them for young people grades 6-12.

A Rhetoric and Reader Cambridge University Press

From the New York Times bestselling author of Steal Like an Artist and Show Your Work! comes an interactive journal and all-in-one logbook to get your creative juices flowing, and keep a record of your ideas and discoveries. For the Love of Books & Stories (eBook)
YBK Publishers, Inc.

Fantomina, or, Love in a Maze is a novella by Eliza Haywood which charts an unnamed female protagonist ' s pursuit of the charming, shallow Beauplaisir. Dealing with major themes such as identity, class and sexual desire, and first published in 1725, Fantomina subverts the popular ' persecuted maiden ' narrative, and reaches a climax which would have shocked its contemporary readership. Moving to London, a young woman – let ' s call her Fantomina – meets a dashing man at the theatre. After a short, but intense, fling, Beauplaisir grows bored of Fantomina, and leaves her. Outraged that she should be so treated, Fantomina discards her disguise in favour of another, and sets off in hot pursuit of her victim, and a game of cat and mouse begins. This edition features an introduction by Dr Sarah R. Creel, Bethany E. Qualls and Dr Anna K. Sagal of the International Eliza Haywood Society. '[It] is right to deplore “ Haywood ’ s invisibility to modern political historians ” , but now we see her in

focus, she matters for the imaginative power of her writing.' — Thomas Keymer, London Review of Books 'Haywood ' s place in literary history is equally remarkable and as neglected, misunderstood and misrepresented as her oeuvre.' — Paula R. Bakscheider

A scrapbooking best seller You know that graphic designer style you didn't think you could pull off without going to design school? Now you can scrapbook like a graphic designer. With her signature style, Cathy Zielske shares expert ideas on design, photography, journaling and typography in Clean and Simple Scrapbooking. From the back cover: 'Scrapbooking' and 'cool' belong in the same sentence, proclaims Cathy Zielske, author of Clean & Simple Scrapbooking.

Known for her signature style, captivating photography and candid approach to journaling, Cathy has inspired a new breed of scrapbookers who want to preserve their memories simply, and with a classic, hip style. A graphic designer by trade, Cathy began scrapbooking as a way to give more context and meaning to the photographs she

cherished. What she didn't realize initially was the powerful way in which scrapbooking allows us to examine and celebrate the very essence of what our lives are truly about. This ho

The Meaning of Marriage Penguin

Studies of Gottfried Leibniz's moral and political philosophy typically focus on metaphysical perfection, happiness, or love. In this new reading of Leibniz, Christopher Johns shows that it is based on a 'science of right'. Based on the deontic concepts of jus (right) and obligation, this science of right is established in Leibniz's early writings on jurisprudence and depended on throughout several of his major late writings. Johns shows that the moral rightness of an action is grounded in the rights and obligations derived from the agent's capacity for freedom. This new interpretation of Leibniz's moral philosophy compares Leibniz's positions with Grotius, Pufendorf, Hobbes, Locke, and Kant. Providing a comprehensive examination of Leibniz's most important writings on natural right, John's argues that Leibniz, properly understood, provides a compelling account of the grounds of morality and of political institutions-an account relevant to present philosophical debates.

基础英语写作 Heinle & Heinle Pub

This book is the first to look at Lady Mary Wortley Montagu's achievement as a vital figure in the women's literary tradition. Robert Halsband's book on her life, the sixth this century and published in 1956, was the first to apply scholarly techniques to establishing the

facts. The inaccurate accounts given before Halsband testify to Lady Mary's compelling interest as a woman who wrote, travelled, campaigned publicly for medical advance, gossiped, and was involved in high-profile literary quarrels. Knowledge of her life has made considerable gains since Halsband, as understanding of the issues involved in trying to move between the roles of proper lady and woman writer has increased enormously. This life fruitfully exploits the tension between literary history and feminist reading. Isobel Grundy highlights Montagu's adolescent longing for literary fame, her growing understanding of the implications of this for gender and class imperatives, the frustrations and concessions involved in her collaborations with male writers, the punitive responses of society, the gaps at every stage of her life between her ascertainable circumstances and her construction of herself in letters and other writings. The book situates those writings in relation to her own theorizing and her very wide reading in women's texts as well as men's. Finally, it looks at a range of contemporary and near-contemporary responses.

Essays from the Soul Renard Press Ltd

This textbook guides students through rhetorical and assignment analysis, the writing process, researching, citing,

rhetorical modes, and critical reading. Using accessible but rigorous readings by professionals throughout the college composition field, the Oregon Writes Writing Textbook aligns directly to the statewide writing outcomes for English Composition courses in Oregon. Created through a grant from Open Oregon in 2015-16, this book collects previously published articles, essays, and chapters released under Creative Commons licenses into one free textbook available for online access or print-on-demand.

The Definition of Love; is a poetry compilation that has been in the works for over a year. The poems included create a vivid story of how love makes its way through the phases of falling in love, being in love, and then heartbreak. The book is a composite of free verse poems, with haikus spread throughout. In the title, the semicolon is meant to represent that love has no boundaries, and

contains no end. This is representative of the overall theme of the book, giving hope that love will always prevail in light of any situation.

Writing for College: the Eight Step Program to Writing Academic Argument Papers Using the Template Method Princeton University Press

There is no need to argue for the relevance of affectivity in early modern philosophy. When doing research and conceptualizing affectivity in this period, we hope to attain a basic interpretive framework for philosophy in general, one that is independent of and cutting across such unfruitful divisions as the time-honored interpretive distinction between “ rationalists ” and “ empiricists ” , which we consider untenable when applied to 17th-century thinkers. Our volume consists of papers based on the contributions to the First Budapest Seminar in Early Modern Philosophy, held on 14 – 15

October 2016 at E ö tv ö s Lor á nd University, Budapest. When composing this volume, our aim was not to present a systematic survey of affectivity in early modern philosophy. Rather, our more modest goal was to foster collaboration among researchers working in different countries and different traditions. Many of the papers published here are already in implicit or explicit dialogue with others. We hope that they will generate more of an exchange of ideas in the broader field of early modern scholarship.
