Page 3 Introduction Dear customer,

---

Your new Defy tumble dryer was manufactured in a state of the art facility and has passed the strictest quality control procedures. Please read this manual carefully before using your product for the first time and then store it within easy reach for future reference.

*How to Fix a Tumble Dryer that is not Heating*

- The tumble dryer should be placed in a well ventilated area. If the Dryer is operated in a confined space, moisture extracted from the clothing during the drying process will condense on the walls.
- The rear of the Dryer must be free of any restrictions, especially round the fresh air grille.
