### Bones Are Forever Penguin

#1 New York Times bestselling thriller writer Kathy Reichs returns with her twenty-first novel of suspense featuring forensic anthropologist Temperance Brennan who, after receiving a box containing a human eyeball, uncovers a series of gruesome killings eerily reenacting the most shocking of her prior cases. Winter has come to North Carolina and, with it, a drop in crime. Freed from a heavy work schedule, Tempe Brennan is content to dote on her daughter Katy, finally returned to civilian life from the army. But when mother and daughter meet at Tempe 's place one night, they find a box on the back porch. Inside: a very fresh human eyeball. GPS coordinates etched into the eyeball lead to a Benedictine monastery where an equally macabre discovery awaits. Soon after, Tempe examines a mummified corpse in a state park, and her anxiety deepens. There seems to be no pattern to the subsequent killings uncovered, except that each mimics in some way a homicide that a younger Tempe had been called in to analyze. Who or what is targeting her, and why? Helping Tempe search for answers is detective Erskine "Skinny" Slidell, retired but still volunteering with the CMPD cold case unit—and still displaying his gallows humor. Also pulled into the mystery: Andrew Ryan, Tempe 's Montreal-based beau, now working as a private detective. Could this elaborately staged skein of mayhem be the prelude to a twist that is even more shocking? Tempe is at a loss to establish the motive for what is going on...and then her daughter disappears. At its core, *Cold, Cold Bones* is a novel of revenge—one in which revisiting the past may prove the only way to unravel the present.

Unexpectedly called in to the Charlotte PD 's Cold Case Unit, Dr. Temperance Brennan wonders why she 's been asked to meet with a homicide cop who 's a long way from his own jurisdiction. The shocking answer: Two child murders, separated by thousands of miles, have one thing in common—the killer. Years ago, Anique Pomerleau kidnapped and murdered a string of girls in Canada, then narrowly eluded capture. It was a devastating defeat for her pursuers, Brennan and police detective Andrew Ryan. Now, as if summoned from their nightmares, Pomerleau has resurfaced in the United States, linked to victims in Vermont and North Carolina. When another child is snatched, the reign of terror promises to continue—unless Brennan can rise to the challenge and make good on her second chance to stop a psychopath. But Brennan will have to draw her bitter ex-partner out of exile, keep the local police and feds from one another 's throats, and face more than just her own demons as she stalks the deadliest of predators into the darkest depths of madness.
