64bit driver for A940 - Dell Community

I have an A940 all-in-one printer connected via USB to a desktop running 32-bit Vista. I have the printer shared over a wireless network. I print from the desktop and from a laptop running XP with no problems. I have a new laptop running 64-bit Vista and I can't find an appropriate printer driver. Once I find one, I'm not sure where to install it.
