BUILD IT. FIX it. OWN IT.
A Beginner's Guide to Building and Upgrading a PC Build It. Fix It. Own It. is the ultimate beginner's guide to building and fixing your own PC. With a friendly, knowledgeable tone, this book shows the beginning PC builder everything he or she needs to know to build a computer or upgrade an existing one. We step you through the parts that lurk inside a PC, from the motherboard and power supply to the CPU, memory, hard drive, video card, sound card, and networking hardware. In each case, you

will learn how the hardware works, what it does, what types of hardware are available, and what to look for when buying the hardware. Then we walk you step-by-step through a series of PC building projects. We show you how to build five different types of PC: a basic business PC, a home theater PC, a high-performance PC, a killer gaming PC, and a budget PC. And if building a new PC from scratch isn't in your budget, we show you how to resurrect an old PC by swapping out a few key components. When you have your PC built and running, we show you how to set up a wireless network and the BIOS and maintain your new rig. Build It. Fix It. Own It. is the ultimate PC builder's guide, even if you've never ventured inside a PC case before! Author Bio Paul McFedries is one of the industry's most well known

It's a new era of business and consumerism—and you play a role in defining it Today's biggest trends—the mobile web, social media, real-time—have produced a new

consumer landscape. The End of Business As Usual explores this complex information revolution, how it has changed the future of business, media, and culture, and what you can do about it. "To be successful in business, you need to see what others don't. Start with this book. Someone's going to do it, why not you?" —Mark Cuban, owner of the Dallas Mavericks and Chairman of HDNet "Innovation has always changed the business landscape. People expect to access information anywhere, anytime, and on any device. Collaborative, cloud, and video technologies are leading this change. As Mr. Solis correctly writes, companies have to lead this change, not follow." —John Chambers, CEO of Cisco Systems, Inc. "Winning the hearts and minds of customers with new media experiences will turn them into your most valuable sales force. Solis's book is the map to unleash this treasure." —Peter Guber, author of Tell to Win: Connect, Persuade, and Triumph with the Hidden Power of Story "Your customers will share their experiences both good and bad. Now that everyone is connected, it's amplified and incredibly influential. This book will help you rethink your vision and mission to survive in a new era of digital Darwinism." —Mark Burnett, Television Executive Producer
