Why has an economy that has done so many things right failed to grow fast? Under-Rewarded Efforts traces Mexico's disappointing growth to flawed microeconomic policies that have suppressed productivity growth and nullified the expected benefits of the country's reform efforts. Fast growth will not occur doing more of the same or focusing on issues that may be key bottlenecks to productivity growth elsewhere, but not in Mexico. It will only result from inclusive institutions that effectively protect workers against risks, redistribute towards those in need, and simultaneously align entrepreneurs' and workers' incentives to raise productivity.

Watercolor Botanical Garden Harvard Business Review Press
Author and artist Kamo is back with her ever-popular doodles! Cute, funny and simple drawings—alongside step-by-step instructions—are sure to inspire readers of all ages to sit down and start doodling. Begin with a line or squiggle, and then turn it into a face, animal or anything else that your imagination conjures up. The point is just to draw—anytime, anywhere, anything—and, most of all, to have fun while you are doing it! With more than 1000 examples, *How to Draw Anything Anytime* includes: People of all ages Animals from sea otters to giraffes and sloths to turtles Food and drinks including coffee, popcorn, sushi and lots of other appetizing treats Transportation, whether traveling by submarine, UFO or bus Astrological signs and zodiac animals Japanese and latin alphabet lettering Clever borders for decorating edges The adorable images throughout the book provide inspiration. Whether doodling digitally or on paper, use your drawings to decorate bookmarks, office supplies, bags, cards, invitations, notebooks, mobiles, window hangings and more. Sample cartoon strips show you how to incorporate your doodles into a bigger project. Fans of Kamo's other doodle books love her instantly recognizable style. Unlike serious art books, there are no rules to follow and no classes to take. All that's needed is a free hand and a free spirit—follow your lines and see where they take you.

The line began forming after eight o'clock. Sal, short and heavy-set, kept everyone busy. Neat, in a white shirt and sports jacket, with his grey fedora cocked to the side, his crooked grin made you smile. Without warning the heavy door would swing open and the waiters would come outside to join him. They were dressed in pajamas or prison garb, with hats and horns, and were there to warm up the crowd. Some in line expected this, others were shocked. The pink polka dot building should have been a warning. Complete strangers in line became chummy, exchanging stories they had heard; toilet seat covers to serve drinks on, microphones in the ladies room, toilet paper for napkins. Most had brought their friends there to be roasted. The line of people varied in age. They all dressed casually because they'd heard you could get a pie in the face or a squirt in the eye. The club's routines were blue in color, but harmless. If you were lucky you might see a "Balls for the Queen" or a "Singing beer." The price was always right for a good time and Warm Beer and Lousy Food was the place to be.

In the spring of 2010, Harvard Business School's graduating class asked HBS professor Clay Christensen to address them—but not on how to apply his principles and thinking to their post-HBS careers. The students wanted to know how to apply his wisdom to their personal lives. He shared with them a set of guidelines that have helped

him find meaning in his own life, which led to this now-classic article. Although Christensen's thinking is rooted in his deep religious faith, these are strategies anyone can use. Since 1922, Harvard Business Review has been a leading source of breakthrough ideas in management practice. The Harvard Business Review Classics series now offers you the opportunity to make these seminal pieces a part of your permanent management library. Each highly readable volume contains a groundbreaking idea that continues to shape best practices and inspire countless managers around the world.
