Describing the essential
aspects that need to be
considered during the

deployment and operational phases of 3GPP LTE/SAE networks, this book gives a complete picture of LTE systems, as well as providing many examples from operational networks. It demystifies the structure, functioning, planning and measurements of both the radio and core aspects of the evolved 3G system. The content includes an overview of the LTE/SAE environment, architectural and functional descriptions of the radio and core network, functionality of the LTE applications, international roaming principles, security solutions and network measurement methods. In addition, this book gives essential guidelines and

recommendations about the transition from earlier mobile communications systems towards the LTE/SAE era and the next generation of LTE, LTE-Advanced. The book is especially suitable for the operators that face new challenges in the planning and deployment phases of LTE/SAE, and is also useful for network vendors, service providers, telecommunications consultancy companies and technical institutes as it provides practical information about the realities of the system. Presents the complete end-to-end planning and measurement guidelines for the realistic deployment of networks Explains the essential and realistic aspects of

commercial LTE systems as well as the future possibilities. An essential tool during the development of transition strategies from other network solutions towards LTE/SAE. Contains real-world case studies and examples to help readers understand the practical side of the system.

"O'Reilly Media, Inc." Andrew McCarthy grows concerned for his family after he catches a young man, Zachary Denton, photographing his daughter, Grace McCarthy, and other children at a park. To his dismay, Zachary talks his way out of trouble when he's confronted by the police. He hopes that's the end of it. Then he finds Zachary at a diner and then at a grocery store. He knows their encounters aren't coincidences. And just as Andrew prepares to defend his family, Grace

search stalls and the leads dry up, Andrew decides to take matters into his own hands. He starts by searching for sex offenders in the area and researching enhanced interrogation techniques... He convinces himself he'll do anything to rescue his daughter, unaware of the pure evil he'll face in his journey. He's willing to hurt-to torture-anyone to save his family. Jon Athan, the author of Into the Wolves' Den and The Abuse of Ashley Collins, delves into the underworld of internet predators in this disturbing horror novel. Are your children safe? Born in a brothel,
Ruth doesn't expect
much for herself
beyond abuse. While
her sister's beauty
affords a certain
degree of comfort,
Ruth's harsh looks
set her on a path
of drudgery. That
is until she meets

pugilist patron
George Dryer and
discovers her true
calling—fighting

and trapped in
twisted power games
with her wastrel
brother, she is
desperate for an
escape. After a
disastrous, life-
changing fight
sidelines Ruth, the
two women meet, and
it alters the
perspectives of
both of them. When
Charlotte presents
Ruth with an

extraordinary

pushes dainty
Charlotte to enter
the ring herself
and learn the power
of her own
strength. A
gripping, page-
turning story about
people struggling
to transcend the
circumstances into
which they were
born and fighting
for their own
places in society,
The Fair Fight is a
raucous,
intoxicating tale
of courage,
reinvention, and
fighting one's way
to the top.
