Medical Assisting Administrative and Clinical Competencies Delmar Pub

This best-selling text creates an awareness and appreciation for the effect that law has on virtually every facet of modern life and society. Beginning with a detailed look at the organization of the U.S. system of government, the text guides students through each of the primary substantive areas of law with realistic assignments, relevant ethical considerations, and easy-to-understand judicial opinions that reinforce chapter topics. From fundamental concepts to emerging legal topics, INTRODUCTION TO LAW presents the terminology, principles, and cases that are having an impact on society--and on many professions--today. FOCUS on College Success Cengage Learning

With increased attention to diversity, mindfulness, resilience, grit, productivity, financial literacy, alternative presentation e-tools, and new career planning strategies, the fifth edition of FOCUS ON COLLEGE SUCCESS recognizes the varied experiences you bring to the college classroom and guides you to build your motivation and increase your focus. Because of its engaging, relevant style that speaks to readers directly, 97% of students surveyed recommended that their professor use this book again with next year's first-year students. While college success strategies may seem like common sense (after you read about them), many are not. Written by a leader in the field of motivation and focus, the text covers topics, tools, and techniques that will deliver results. By learning these skills early on, you can avoid many of the pitfalls which cause so many students to stumble. All of the book's exercises and activities are designed to help you learn more about yourself and help you focus on what you need to do to succeed. Going well beyond college, these lessons will help you in your career and your personal life. Specific tools help you make self-discoveries and chart your progress through the text. Did you know that your odds of completing college successfully go up after you take a college success course? That makes FOCUS ON COLLEGE SUCCESS a no-brainer. El-Hi Textbooks in Print Cengage Learning

LEGAL ANALYSIS AND WRITING, 4TH EDITION helps

readers analyze statutes and cases and draft supporting legal memoranda. In addition to the fundamentals of good writing, legal or otherwise, the book illustrates how paralegals analyze and brief cases, identify key facts and legal issues, and apply case law and counteranalysis to legal matters, and more. Going beyond mere explanations, the book shows readers how to apply concepts to hypothetical situations, draft legal memoranda and correspondence, and scrutinize legal citations and Web research, to develop a thorough understanding of the analytical and writing responsibilities paralegals undertake. Legal Analysis and Writing, 4th Edition is a robust resource for any paralegal writing course and includes a host of available supplemental tools designed to enhance learning while simplifying instructor preparation. Im1 und Hlth Insurance Cengage Learning

Developmentally Appropriate Practice: Curriculum and Development in Early Education, 3e is a thoughtful and comprehensive reference that is now even more effective with the addition of several new features and enhanced content. The book takes a topical approach and assumes some basic child development knowledge/experience, and is intended as a guide for thoughtful consideration of classroom and caregiver practices. In the first section, developmentally appropriate practice is discussed and explored, including an in-depth, extended section on the theory and research of play.

Subsequent sections address environments such as physical, social/emotional, and cognitive/language. The coverage of these important environments is comprehensive and individually addresses appropriate practice for all early childhood age groups. The fifth section moves into a discussion of making changes for the teachers and caregivers and how to gain support for those changes. Well-known curriculum approaches are also explored in-depth, allowing the reader to understand how these approaches fit into the principles of developmentally appropriate practice. Some new features include "What Would You Do?" and "Think About It?" sections that encourage further thought and discussion, as well as current reference and reading suggestions to allow the reader to continue the learning process on their own.
