This new medical assisting learning system provides comprehensive coverage of administrative and clinical procedures and skills. The full-color text integrates the competencies identified in the new AAMA Role Delineation Study throughout, using a simulation approach to enhance learning by using characters from the Medical Assisting Videos

throughout the case studies and examples in the textbook, workbook and student disk. Two Study Guide Software Disks packaged with the text provide a comprehensive review of administrative, clinical and general content areas. Step-by-step, detailed procedures and an innovative, open text design clearly illustrate standard and advanced medical assisting skills. End-of-chapter review questions with a critical-thinking emphasis reinforce learning of material covered. Unique topics covered include managed care, coping skills, therapeutic approach to

patients, cultural diversity applications, preparation for the Examination (both CMA and RMA), and professional career success strategies. Workbook to Accompany Delmar's Comprehensive Medical Assisting Delmar Pub

This third edition is the most comprehensive and dynamic learning package on the market for Medical Assisting. It boasts the most skills and procedures covered and includes key areas either not found or lightly touched on in other books such as: History of Medicine, Professional Procedures, coverage of OSHA and CLIA, and transcription. All ABHES and CAAHEP competencies are covered. The new edition maps to the latest CAAHEP Standards and Guidelines for Medical Assisting

Educational programs and the ABHES Program Requirements and Curriculum. Comprehensive Medical Assisting: Administrative and Clinical Competencies provides more opportunity for critical thinking through case studies, critical thinking questions, scenarios, and features tying to both of Delmar's Medical Assisting DVD series. The book also emphasizes softer skills such as professionalism and practical skills including how to comply with HIPAA regulations and deal with privacy issues on the job. Delmar is a part of Cengage Learning.
