reality of evil. Even in the Church, by and large, there are few biblical resources on the subject to counter the destructive claims raised in today's humanistic culture. In *The Fall of Satan: Rebels in the Garden* you will discover the answers to 35 captivating questions, such as: How

could one created good become so absorbed by evil? Why would God, who is not evil, allow evil to continue to exist? Did sin begin with Adam or was its origin found in Satan? When did Satan rebel against God's authority? Where can the answers be found to such provocative, spiritual questions

that have been asked so many times over? Carefully consider the biblical response, since it is the only completely reliable foundation for information about Satan. As our absolute authority, we must reject unqualified conclusions drawn from sources outside the Bible, such as the

current ideas and traditions of the culture. No believer should be unaware of these sound answers found in the Bible.

“ A haunting story that seamlessly blends the hard-boiled twists of cyberpunk with the noir flavor of a Southern Gothic thriller. Gritty and compelling.... Truly high octane stuff. ” —Marc

Giller, author of Hammerjack Bladerunner meets Jim Butcher in Afterlife, a thrilling urban fantasy noir adventure set in an alternate world where everyone gets nine lives. In the vein of J. D. Robb ' s bestselling ' In Death ' series, author Merrie Destefano blends a futuristic concept with gritty noir mystery for a riveting story of murder, conspiracy, and multiple-resurrections that will appeal equally to fantasy, science fiction, and mystery fans. Even paranormal romance lovers

will find something to love in Destefano ' s extraordinary Afterlife.

Demon Center Street

Lucian, a fallen angel, dictates his memoirs to a book editor, covering such topics as the creation of the universe, the fall of Lucifer, and the struggle for mankind.

Just Kids

Multnomah

Nine years after Rom Sebastian was thrust into the most unlikely of circumstances as hero and bearer of an unimaginable secret, the alliance of his

followers is in disarray. An epic battle with The Order has left them scattered and deeply divided both in strategy and resolve in their struggle to become truly alive and free. Only 49 truly alive followers remain loyal to Rom. This meager band must fight for survival as The Order is focused on their total annihilation. Misunderstood and despised, their journey will be one of desperation against a new, more intensely evil Order. As the hand of this evil is raised to strike and destroy them

they must rely on their faith in the abiding power of love to overcome all and lead them to sovereignty. SOVEREIGN wonderfully continues the new testament allegory that was introduced in FORBIDDEN and continued in MORTAL. The Legend of Sheba Simon and Schuster New York Times bestselling author Tosca Lee brings a modern twist to an ancient mystery surrounding Elizabeth Bathory, the most notorious female serial killer of all time. Emily

Jacobs is the descendant of a serial killer. Now, she's become the hunted. She's on a quest that will take her to the secret underground of Europe and the inner circles of three ancient orders—one determined to kill her, one devoted to keeping her alive, and one she must ultimately save. Filled with adrenaline, romance, and reversals, *The Progeny* is the present-day saga of a 400-year-old war between the uncanny descendants of "Blood Countess" Elizabeth Bathory,

the most prolific female serial killer of all time, and a secret society dedicated to erasing every one of her descendants. It is a story about the search for self filled with centuries-old intrigues against the backdrop of atrocity and hope.

Ismeni Center Street

In this frighteningly believable thriller from New York Times bestselling author and master storyteller Tosca Lee, an extinct disease re-emerges from

the melting Alaskan permafrost and causes madness in its victims. For recent apocalyptic cult escapee Wynter Roth, it's the end she'd always been told was coming. When Wynter Roth finally escapes from New Earth, a self-contained doomsday cult on the American prairie, she emerges into a world poised on the brink of madness as a mysterious outbreak of rapid early onset dementia

spreads across the nation. As Wynter struggles to start over in a world she's been taught to regard as evil, she finds herself face-to-face with the apocalypse she's feared all her life—until the night her sister shows up at her doorstep with a self-set of medical samples. That night, Wynter learns there's something far more sinister at play: that the prophet they once idolized has been toying with the fate of mankind, and that these

samples are key to understanding the disease. Now, as the power grid fails and the nation descends into chaos, Wynter must find a way to get the samples to a lab in Colorado. Uncertain who to trust, she takes up with former military man Chase Miller, who has his own reasons for wanting to get close to the samples in her possession, and to Wynter, herself. Filled with action, conspiracy, romance, and

questions of whom—and what—to believe, The Line Between is a high-octane story of survival and love in a world on the brink of madness, from “the queen of psychological twists” (New York Times bestselling author Steena Holmes). The Bride Collector Navpress Publishing Group Believing he has found the Messiah, Judas enthusiastically becomes one of Jesus' disciples,

but he is forced to confront difficult truths when Jesus refuses to cave to social conventions and act on Judas's vision of making the nation free from Roman rule. BoneMan's Daughters Center Street A cranky, atheistic philosophy professor loves to shred the faith of incoming freshmen. He is chosen by a group of scientists to create a philosophy for a computer-generated world exactly like ours. Much to his frustration every model he introduces—from Darwinism, to Existentialism, to

Relativism, to Buddhism—fails. The only way to preserve the computer world is to introduce laws from outside their system through a Law Giver. Of course this goes against everything he's ever believed, and he hates it. But even that doesn't completely work because the citizens of that world become legalists and completely miss the spirit behind the Law. The only way to save them is to create a computer character like himself to personally live and explain it. He does. So now there are two of him—the one in our world and the one in the computer world. Unfortunately

a rival has introduced a virus into the computer world. Things grow worse until our computer-world professor sees the only way to save his world is to personally absorb the virus and the penalty for breaking the Law. Of course, it's clear to all, including our real-world professor, that this act of selfless love has become a reenactment of the Gospel. It is the only possible choice to save their computer world and, as he finally understands, our own.

Bones Of Fire

FaithWords

Two abandoned souls are on the hunt for one

powerful man.

Soon, their paths will cross and lead to one twisted fate.

Danny Hansen is a Bosnian immigrant who came to America with hopes of escaping haunted memories of a tragic war that took his other's life. Now he's a priest incensed by the powerful among us who manipulate the law for their own gain, uncaring of the lives they leave behind. It is his duty to show them the error of their ways, even

if he must put them in the grave. Renee Gilmore is the frail and helpless victim of one such powerful man. Having escaped his clutches, she now lives only to satisfy justice by destroying him, regardless of whom she must become in that pursuit. But when Danny and Renee's paths become inexorably entangled things go very, very badly and neither of them may make it out of this hunt alive.

Sovereign Haunted Computer Books From New York Times bestselling author Tosca Lee comes the much-anticipated, high-speed sequel to

The Progeny. Face-to-face with her past, Audra Ellison now knows the secret she gave up everything—including her memory—to protect. A secret made vulnerable by her rediscovery, and so powerful neither the Historian nor the traitor Prince Nikola will ever let her live to keep it. With Luka in the Historian's custody and the clock ticking down on his life, Audra only has one impossible chance: find and kill the Historian and end the centuries old war between the Progeny and Scions at last—all while running from the law and struggling to control her growing powers. With the help of a

heretic monk and her Progeny friends Claudia, Piotrek, and Jester, Audra will risk all she holds dear in a final bid to save them all and put her powers to the ultimate test. Love, action, and stunning revelation reign in this thrilling conclusion to *The Progeny*. [The Truce at Bakura: Star Wars Legends](#) Simon and Schuster It was the summer Coltrane died, the summer of love and riots, and the summer when a chance encounter in Brooklyn led two young people on a path of art, devotion, and initiation. Patti Smith would evolve as a poet and performer, and Robert

Mapplethorpe would direct his highly provocative style toward photography. Bound in innocence and enthusiasm, they traversed the city from Coney Island to Forty-second Street, and eventually to the celebrated round table of Max's Kansas City, where the Andy Warhol contingent held court. In 1969, the pair set up camp at the Hotel Chelsea and soon entered a community of the famous and infamous—the influential artists of the day and the colorful fringe. It was a time of heightened awareness, when the worlds of poetry, rock and roll, art, and sexual politics

were colliding and exploding. In this milieu, two kids made a pact to take care of each other. Scrappy, romantic, committed to create, and fueled by their mutual dreams and drives, they would prod and provide for one another during the hungry years. Just Kids begins as a love story and ends as an elegy. It serves as a salute to New York City during the late sixties and seventies and to its rich and poor, its hustlers and hellions. A true fable, it is a portrait of two young artists' ascent, a prelude to fame.

and true. We have never been what we seemed. When beautiful, reckless Southern belle Zelda Sayre meets F. Scott Fitzgerald at a country club dance in 1918, she is seventeen years old and he is a young army lieutenant stationed in Alabama. Before long, the "ungettable" Zelda has fallen for him despite his unsuitability: Scott isn't wealthy or prominent or even a Southerner, and

keeps insisting, absurdly, that his writing will bring him both fortune and fame. Her father is deeply unimpressed. But after Scott sells his first novel, *This Side of Paradise*, to Scribner's, Zelda optimistically boards a train north, to marry him in the vestry of St. Patrick's Cathedral and take the rest as it comes. What comes, here at the dawn of the Jazz Age, is unimagined attention and success and celebrity that will make Scott and

Zelda legends in their own time. Everyone wants to meet the dashing young author of the scandalous novel—and his witty, perhaps even more scandalous wife. Zelda bobs her hair, adopts daring new fashions, and revels in this wild new world. Each place they go becomes a playground: New York City, Long Island, Hollywood, Paris, and the French Riviera—where they join the endless party of the glamorous,

sometimes doomed Lost Generation that includes Ernest Hemingway, Sara and Gerald Murphy, and Gertrude Stein. Everything seems new and possible. Troubles, at first, seem to fade like morning mist. But not even Jay Gatsby's parties go on forever. Who is Zelda, other than the wife of a famous—sometimes infamous—husband? How can she forge her own identity while fighting her demons and Scott's, too? With

brilliant insight and imagination, Therese Anne Fowler's New York Times bestseller brings us Zelda's irresistible story as she herself might have told it.

Z: A Novel of Zelda Fitzgerald
Minotaur Books
FBI Special agent Brad Raines is facing his toughest case yet. A Denver serial killer has killed four beautiful young women, leaving a bridal veil at each crime scene, and he's picking up his pace. Unable to crack the case, Raines appeals

for help from a most unusual source: residents of the Center for Wellness and Intelligence, a private psychiatric institution for mentally ill individuals whose are extraordinarily gifted. It's there that he meets Paradise, a young woman who witnessed her father murder her family and barely escaped his hand. Diagnosed with schizophrenia, Paradise may also have an extrasensory gift: the ability to experience the final moments of a person's life when she touches the dead body. In a

desperate attempt to find the killer, Raines enlists Paradise's help. In an effort to win her trust, he befriends this strange young woman and begins to see in her qualities that most 'sane people' sorely lack. Gradually, he starts to question whether sanity resides outside the hospital walls...or inside. As the Bride Collector picks up the pace-and volume-of his gruesome crucifixions, the case becomes even more personal to Raines when his friend and colleague, a beautiful young

forensic psychologist, becomes the Bride Collector's next target. The FBI believes that the killer plans to murder seven women. Can Paradise help before it's too late?

The God Hater

WestBow Press New York Times bestselling and award-winning author Tosca Lee shares the “passionate and riveting story of the Bible’s first woman and her remarkable journey after being cast from paradise” (Publishers Weekly, starred review). Created, not born. Her name is Eve. Myth and legend shroud her in mystery. Now

hear her story. She knew this earth when it was perfect—as she was perfect, a creature without flaw. Created by God in a manner like no other, Eve lived in utter peace as the world’s first woman, until she made a choice, one mistake for which all of humanity would suffer. But what did it feel like to be the first person to sin and experience exile; to see innocence crumble so vividly; and to witness a new strange, darker world emerge in its place? From paradise to exile, from immortality to the death of Adam, experience the epic dawn of mankind through the eyes and heart of

Eve—the woman first known as Havah.

The Fall of Satan

Simon and Schuster From the author of the New York Times bestselling *Iscariot* comes an award-winning novel that poses the question: if a demon came up to you and offered to tell his story, would you listen? Clay’s life has reached a standstill. Recently divorced, he spends his days drifting from his drab apartment to his equally lackluster job as an editor for a small Boston press and back again. His dreary

routine has left him strikingly similar to a killer who's mired in a seemingly meaningless existence, until the night he meets Lucian—a demon—and everything changes. With the simple words, "I'm going to tell you my story, and you're going to write it down and publish it," Lucian catapults Clay's mundane life into turmoil. What begins as an intriguing mystery soon spirals into a chaotic obsession as Clay struggles to piece together Lucian's dark tale of love, ambition, and grace—only to discover the demon's story is

his own. And the only thing that matters now is finding out how the story ends... *Mortal* Harper Collins "Audra must find her archenemy, the Historian, and put an end to the centuries old Progeny/Scion war once and for all. But first she has to rescue her husband, Luka, who is being held prisoner by the Scions, all while on the run as an international fugitive and struggling to control her growing powers"-- **Afterlife** Tyndale House Publishers, Inc. They call him BoneMan, a serial

killer who's abducted six young women. He's the perfect father looking for the perfect daughter, and when his victims fail to meet his lofty expectations, he kills them by breaking their bones and leaving them to die. Intelligence officer Ryan Evans, on the other hand, has lost all hope of ever being the perfect father. His daughter and wife have written him out of their lives. Everything changes when BoneMan takes Ryan's estranged daughter, Bethany, as his seventh victim.

Ryan goes after
BoneMan on his
own. But the FBI
sees it differently.
New evidence
points to the
suspicion that
Ryan is BoneMan.
Now the hunter is
the hunted, and in
the end, only one
father will stand.
