Ember of Night Kiersten Fay

From USA Today bestselling author Kiersten Fay comes this smoldering-hot tale of a lethally seductive dragon king and the beautiful earthling he cannot resist. On his way to reestablish an old alliance, Tristan Okora, king of the dragon shifters, discovers a beautiful human female aboard an enemy vessel. He offers his protection until she can be safely returned to Earth. But the more time he spends with Juniper Jacobs, the faster he falls for the little mortal. Meanwhile, amidst the trouble brewing in his kingdom—a terrible rumor that threatens his crown—Tristan must make a difficult decision; accept an arranged marriage with a neighboring princess, or risk everything for the beguiling human. **TEMPTING THE DRAGON KING** is the first book in this Shadow Quest spin-off series, focusing on dragon shifters and witches, but there are plenty of cameos from the original series. About the Dragon Lords series USA Today bestselling author Kiersten Fay introduces this steamy new sci-fi paranormal romance series with dragon shifters, alpha males, beguiling witches, and strong female leads. Dragon Lords is a spinoff of Kiersten's beloved Shadow Quest series and exists in the same world, but each book can be read as a stand alone. Filled with action, adventure, steamy hot romance, and suspense, Dragon Lords will suck you in and keep you reading far past your bedtime. If you enjoy authors like Kresley Cole, Gena Showalter, and Laura Adrian, you will love Kiersten Fay's Dragon Lords series. Kiersten's other books consist of demons and vampires and every other supernatural creature you could imagine. She loves writing bad boys, enemies to lovers, and fantasy romance, all with strong heroines with a feisty edge.

Treasure Island Shadow Mountain

In this first book of her Japanese mythology-inspired Shadow of the Fox trilogy, bestselling author Julie Kagawa weaves a stunning, high-stakes tale of alliances and deceptions, characters who aren't what they seem, and secrets that could change the fate of the world. Every millennium, whoever holds the Scroll of a Thousand Prayers has the power to call the great Kami Dragon from the sea and ask for one wish. The time is near...and the missing pieces of the scroll will be sought throughout the land of Iwagoto. When demons kill half-kitsune Yumeko's adoptive family, she's forced to flee her home with one part of the ancient scroll. Fate thrusts her into the path of mysterious samurai Kage Tatsumi, who is Yumeko's best hope for survival. But he's under orders to retrieve the scroll. An uneasy alliance forms, and Yumeko begins the deception of a lifetime, knowing her secrets are more than a matter of life or death—they're the key to the fate of the world. After ducking into a cave to escape a freak mountain storm, Jessie Knight discovers she has actually entered an alien craft?which takes off while she's still inside. When she and the craft are intercepted by a mysterious group of soldiers who call themselves dragon shifters, she is thrust into a world of myth, legend, and danger?and she discovers she may not be entirely human. Placed under the protection of a captivatingly gorgeous dragon shifter named Orik, she begins developing a latent power that both captivates and mystifies her. She soon learns that her new abilities must be concealed if she is to survive, for if Orik learns of her budding magical power, he would deem her an enemy. No one knows better than Orik Theroux, head of the King's guard, that witches are heartless and ruthless killers who must be stamped out of existence. Orphaned by a group of them at a young age, Orik vowed to destroy every last witch who crosses his path?until he begins to fall for an exquisite human female who turns out to be more than she seems. When the palace is besieged by witches, he must decide if he can trust Jessie with his life?and his heart.

One chance. That's all I'll have. Along with a choice I can't

possibly make. In just a few weeks, I've gone from living in a psychiatric hospital, to learning I have magic, to joining a secret society of witches. I've also had to come to terms with both what I am and where I came from. Half demon, half witch, born in the demon real—a magical mutation created for sacrificial purposes. It's so nice knowing that the woman who raised me only did so because she was planning to spill my blood on her sacrificial altar. So, yeah. No wonder I went crazy. Since joining the ranks of the Shadow Order, I've made friends and enemies. I also fell in love with a kind and sexy guy named Kai. Now, that love has been stolen from me by the same monsters that want to steal my magic. With the clock ticking down on what's left of Kai's life, I need to come up with a solution fast. So far, I've got nothing. Meanwhile, werewolves and vampires are turning up dead, seemingly at the hands of witches. Not surprisingly, those other tribes are calling out for blood. Like that's not enough, witches are being exposed and threatened by a new group calling themselves the Hunters. And what do they want, exactly? Just the eradication of our kind entirely. Then there's the deal I make with a Fae goddess, which at first looks like it might provide me with what I need to defeat my enemies. Instead, it leaves me facing an impossible choice. I'll have to either leave Kai to his fate or doom everyone else. Crossroads Witch is a fast-paced, unpredictable new urban fantasy series that readers are calling "amazing," "with strong female leads," and "full of excitement!" If you like snarky kickass heroines, fast-paced action, magic, witchcraft and romance, then grab it today!

Earth's protection comes at a price! Discover the Warlord Brides universe with growly, protective alien warriors who will do anything for their mates. Paax: He never wanted to be matched to a mate. The situation in his clan was dangerous for a hardened warrior, let alone a soft Human female without fangs or claws to defend herself. Sending her back to Earth was the only way to keep her safe. However, the moment the curvaceous woman stepped off the transporter, his tattoo burned with a passionate intensity he'd never experienced before. Paax knew he would do anything to protect her, to claim her, even challenge the clan's violent Warlord. No force in the universe would take his mate from him. Kalen: Sent on a mission to backwards Earth, alien physician Kalen never expected to find his destined mate. Meridan's alluring scent, soft curves and the fire in her spirit call to him the way no female ever has. She is his destined mate. He's certain of that. Fierce and independent, nurse Meridan was never interested in settling down, with a human or an alien, especially not the arrogant, rude and devastatingly sexy medic Kalen. How far will Kalen go to claim the woman he loves when the rules between his planet and hers prevent him from doing just that? Mylomon: He's an abomination. The lone survivor of a horrific experiment, warrior Mylomon was left with unique and dangerous abilities. He takes care of the necessary dirty work for his clan but he's yet to earn their trust. After all, how can you trust an assassin? Now that he's found his fated mate, his miracle, she recoils at the sight of him. Daisy is every good and sweet thing in the universe and he will not let her go. How can he convince her that he's not the monster he

appears to be? Vox: He had dreamed of a mate for years. He studied Earth cultural and courtship rituals. He even learned to eat strange Earth food, waiting for the day his mate arrived. From the moment the curvy human woman stepped onto his ship, he knew she was everything he'd craved and their sizzling attraction can't be denied. Smart, determined and too serious, he vows to bring a smile to his mate's face. And when she says he doesn't take anything seriously? He'll show her exactly how serious he is to protect her and the baby growing inside her. Contains four complete stories, each with a HEA and growly, possessive alien warrior: Paax Kalen Mylomon Vox

Warriors of Sangrin: Box Set Volume One Penguin Group Australia National Book Award Finalist: "This man's ideas may be the most influential, not to say controversial, of the second half of the twentieth century."—Columbus Dispatch At the heart of this classic, seminal book is Julian Jaynes's still-controversial thesis that human consciousness did not begin far back in animal evolution but instead is a learned process that came about only three thousand

years ago and is still developing. The implications of this revolutionary scientific paradigm extend into virtually every aspect of our psychology, our history and culture, our religion—and indeed our future. “Don’t be put off by the academic title of Julian Jaynes’s *The Origin of Consciousness in the Breakdown of the Bicameral Mind*. Its prose is always lucid and often lyrical...he unfolds his case with the utmost intellectual rigor.”—*The New York Times* “When Julian Jaynes . . . speculates that until late in the twentieth millennium BC men had no consciousness but were automatically obeying the voices of the gods, we are astounded but compelled to follow this remarkable thesis.”—John Updike, *The New Yorker* “He is as startling as Freud was in *The Interpretation of Dreams*, and Jaynes is equally as adept at forcing a new view of known human behavior.”—*American Journal of Psychiatry*

Demon Soul (Crossroads Witch Book 2) Simon and Schuster

I just saved the boy I'm falling for from a gruesome death by a demon. And what does he have to say? I'm the key to opening the gates of Hell. I mean, a thank-you would've been nice. Or another scorching-hot, forbidden kiss. Either way, destiny will have to find someone else to torment, because I'm so done. Or I was, until my little sister starts cackling exorcist-style and stares at me with eyes that aren't hers. They're Marid's, the Greater Demon I just kicked back to the dark realm he came from. Possessing Ray whenever he wants is his ultimate revenge. The only way to break the tether between them includes a road trip through Hell, aka the Ather. I quickly discover nothing is as it seems in this place.

Yeah, there are realms of terror, greed, and desire, but there's also peace, and a beauty I never knew existed...and it's eerily familiar. With each obstacle we encounter, I slip a little further into the chaotic energy of my growing dark powers. And when an unexpected betrayal hits me square in the chest, I freefall into them. Fate painted me as the monster of nightmares, and after this? Destiny is about to learn just how monstrous I can be. The *Ember of Night* series is best enjoyed in order. In nomine maius bonum... In the name of the greater good. That's the motto for St. Michael's Academy, the illustrious and renowned school for future Guardians. Demons roam the earth, terrorizing humans, and it's up to the Shadowguard to stop them. My name is Aspen Van Der Klay. I grew up ignorant of the real world. My mom hid the truth from me, but her death spurred a series of events which landed me right in the middle of Shadowguard Society. Now, I'm determined to be the best Guardian this world has ever seen. I won't let anything stop me. Not the uppity elites, not my bigoted instructors, and certainly not my disapproving mentor who is just as likely to make my heart race as my blood boil. When Guardians start to go missing, it's up to the Shadowguard to figure out what's happening. Our numbers are dwindling, and we can't afford to let the demons discover our weakness. There's a great threat on the horizon, and I fear Guardians might not have what it takes to stop it before it's too late. Fans of *Vampire Academy* and *Shadow Hunters* will devour this newest series by USAT Bestselling author Samantha Britt. *This book is intended for readers 16 years of age or older. *Demon Guard* contains aspects of violence, foul language, and romance.

A page-turning novel that is also an exploration of the great philosophical concepts of Western thought, Jostein Gaarder's *Sophie's World* has fired the imagination of readers all over the world, with more than twenty million copies in print. One day fourteen-year-old Sophie Amundsen comes home from school to find in her mailbox two notes, with one question on each: "Who are you?" and "Where does the world come from?" From that irresistible beginning, Sophie becomes obsessed with

questions that take her far beyond what she knows of her Norwegian village. Through those letters, she enrolls in a kind of correspondence course, covering Socrates to Sartre, with a mysterious philosopher, while receiving letters addressed to another girl. Who is Hilde? And why does her mail keep turning up? To unravel this riddle, Sophie must use the philosophy she is learning—but the truth turns out to be far more complicated than she could have imagined.
