The Indian Listener (fortnightly programme journal of AIR in English) published by The Indian State Broadcasting Service, Bombay, started on 22 december, 1935 and was the successor to the Indian Radio Times in english, which was published beginning in July 16 of 1927. From August, 1937 onwards, it was published by All India Radio, New Delhi. In 1950, it was turned into a weekly journal. Later, The Indian listener became "Akashvani" in January 5, 1958. It was made a fortnightly again on July 1, 1983. It used to serve the listener as a bradshaw of broadcasting, and give listener the useful information in an interesting manner about programmes, who writes them, take part in them and produce them along with photographs of performing artists. It also contains the information of major changes in the policy and service of the organisation. NAME OF THE JOURNAL: The Indian Listener LANGUAGE OF THE JOURNAL:

Lyric, a Soul Singer, a guardian of the Score of Creation and servant to the Composer.

Acheron, a demoness, a harlot and one of Lyric's best friends. Cadence, a Nephilim, Lyric's Verger and something of a mystery. The three of them have been bound together by Lyric's soul song. Fresh from the battle of Markhato, they are thrown deeper into chaos. The Soul Singer's Guild has been destroyed, Lyric's entire town is missing and it seems every supernatural creature on the planet wants Acheron's head on a pointy stick. Now Oberon has shown up and taken Acheron's magic. Who has enough juice to destroy the Soul Singer's Guild? What has happened to Lyric's town and parents? Why is everyone trying to kill Acheron? Lyric, Acheron and Cadence must fight their way to the answers and hope they come out on the other side in one piece.

Acts: An Exegetical Commentary : Volume 3

Short subject films have a long history in American cinemas. These could be anywhere from 2 to 40 minutes long and were used as a

"filler" in a picture show that would include a cartoon, a newsreel, possibly a serial and a short before launching into the feature film. Shorts could tackle any topic of interest: an unusual travelogue, a comedy, musical revues, sports, nature or popular vaudeville acts. With the advent of sound-on-film in the mid-to-late 1920s, makers of earlier silent short subjects began experimenting with the short films, using them as a testing ground for the use of sound in feature movies. After the Second World War, and the rising popularity of television, short subject films became far too expensive to produce and they had mostly disappeared from the screens by the late 1950s. This encyclopedia offers comprehensive listings of American short subject films from the 1920s through the 1950s. De-demonising the Old Testament McFarland Vampires, werewolves, shapeshifters, false goddesses, fairies, goblins; Soul Singer Lyric feared none of them. On the day he cast his Soul Song into the Verge to tie forever to one of the mysterious and powerful Vergers, something entirely unique occurred. For the first time in history, a Soul Singer cast so far through the Verge his Song landed in Hell itself and tied him to the very thing he'd pledged his life to fight. Now he has a year to find a way to sever a bond that is supposed to be eternal and unbreakable, if he doesn't, the Guild will consider him fallen and treat him like any other demon. As if this wasn't enough, Lyric, the demoness Acheron and the mysterious swordswoman, Cadence, learn of a prophecy that leads to them becoming inextricably tied up in the first supernatural war the earth has seen in centuries. From Boston to Louisiana to California, the Soul Singer and his companions are driven all the way to the second-sight city of Markhato, where free will kicks destiny in the teeth.

Battling ghosts and demons isn't an easy job, and it's usually one that's best done alone - especially when you're the only one that can

see them. But when Declan Brown, veteran ghost hunter, discovers that a mysterious figure known only as Mr V has set up a portal that allows demons to enter our world, he finds that maybe a partner - in the unlikely form of sassy, sharp-talking private investigator Jacqui Andrew - is exactly what he needs. Will Declan and Jacqui be able to seal the portal before our world is flooded with demons, and will they stop the source of this evil, Mr V, before it's too late? Find out in *The Demon Portals*, the exciting, fast-paced and action-packed first book of the *Ghostbane: The Demon Hunter Chronicles* series.

Highly respected New Testament scholar Craig Keener is known for his meticulous and comprehensive research. This commentary on Acts, his magnum opus, may be the largest and most thoroughly documented Acts commentary available. Useful not only for the study of Acts but also early Christianity, this work sets Acts in its first-century context. In this volume, the third of four, Keener continues his detailed exegesis of Acts,

utilizing an unparalleled range of ancient sources and offering a wealth of fresh insights. This magisterial commentary will be an invaluable resource for New Testament professors and students, pastors, Acts scholars, and libraries.

Religion Index One BRILL

Highly respected New Testament scholar Craig Keener is known for his meticulous and comprehensive research. This commentary on Acts, his magnum opus, may be the largest and most thoroughly documented Acts commentary ever written. Useful not only for the study of Acts but also early Christianity, this work sets Acts in its first-century context. In this volume, the last of four, Keener finishes his detailed exegesis of Acts, utilizing an unparalleled range of ancient sources and offering a wealth of fresh insights. This magisterial commentary will be an invaluable resource for New Testament professors and students, pastors, Acts scholars, and libraries. In this study, Michael J. Morris examines aspects of synoptic gospel demonology; specifically, human responses to demonic evil. It is clear that early Christian demonology can be more fully understood against the background of early Jewish traditions. In the Dead Sea Scrolls, for instance, there are two fundamental ways by which protection against demons is sought. The first anti-demonic method is "exorcism," and the second is characterized by its preventative nature and is typically referred to as "apotropaism." Although many contributions have been made on the topic of exorcism in the gospels, less attention has been paid to the presence of

apotropaic features in the gospel texts. Therefore, Michael J. Morris offers a timely examination of apotropaic tradition in early Judaism and its significance for demonological material in the synoptic gospels.

The Homilies of S. John Chrysostom, Archbishop of Constantinople, on the Epistle of S. Paul the Apostle to the Romans Baker Academic

Judit M. Blair challenges the common view that azazel, lilith, deber, qeteb and reshaf are names of 'demons' in the Hebrew Bible, claiming that major works on the subject proceed from the assumption that these terms were demons in the ancient Near East and /or later, or that they were deities who became 'demonised' by the authors of the Hebrew Bible. Without questioning the validity of traditional methods she supplements the existing works by making an exegesis based on a close reading of all the relevant texts of the Hebrew Bible in which these five terms occur. Close attention is paid to the linguistic, semantic, and structural levels of the texts.

The emphasis is on a close examination of the immediate context in order to determine the function of each term. The author notes different signals within the texts, especially the use of the various poetical/rhetorical devices: personification, parallelism, similes, irony, and mythological elements.

Catalog of Copyright Entries Darby Creek

Ancient Palestine served as a land bridge between the continents of Asia, Africa, and Europe, and as a result, the ancient Israelites frequently interacted with speakers of non-Semitic languages, including Egyptian, Greek, Hittite and Luwian, Hurrian, Old Indic, and Old Iranian. This linguistic contact led the ancient Israelites to adopt non-Semitic words, many of which appear in the Hebrew Bible. Benjamin J. Noonan explores this process in *Non-Semitic Loanwords in the Hebrew Bible*, which presents a comprehensive, up-to-date, and linguistically informed analysis of the Hebrew Bible's non-Semitic terminology. In this volume, Noonan identifies all the Hebrew Bible's foreign loanwords and presents them in the form of an annotated lexicon. An appendix to the book analyzes words commonly proposed to be non-Semitic that are, in fact, Semitic, along with the reason for considering them as such. Noonan's study enriches our understanding of the lexical semantics of the Hebrew Bible's non-Semitic terminology, which leads to better translation and exegesis of the biblical text. It also enhances our linguistic understanding of the ancient world, in that the linguistic features it discusses provide significant insight into the phonology, orthography, and morphology of the languages of the ancient Near East. Finally, by tying together linguistic evidence with textual and archaeological data, this work extends our picture of ancient Israel's interactions with non-Semitic peoples. A valuable resource for biblical scholars, historians, archaeologists, and others interested in linguistic and cultural contact between the

ancient Israelites and non-Semitic peoples, this book provides significant insight into foreign contact in ancient Israel.

Demon Singer II

In *Patterns of Daily Prayer in Second Temple Period Judaism* Jeremy Penner provides an account of how daily prayer became entrenched within early Jewish religious traditions.
