I'm working on it, but there is so much going on right now; Isaac's acting strange, Ethan's worried that his brother isn't eating or sleeping, Asher's dad is back, and Tara is still snooping around my bedroom. "You see, there is safety in simplicity... in a life of simple peace, where the electricity doesn't dance across the backs of my eyelids, and the sparks don't slither over my consciousness. Only asinine peace, where my paintings don't seem to paint themselves, leaving me with terrible feelings of premonition and a chill beneath my fingernails." Seraph Black used to think that she was prepared for anything. She could last days without eating and she always walked away from the violent altercations with her father relatively unharmed. She survived working at the club and the drive to school every day in her mother's rust-bucket of a car... but it all changed when Noah and Cabe came bulldozing into her life, careless of the precious secrets they picked apart in their quest to take over her world. She was even less prepared for the mysterious Miro and Silas, and nothing could have prepared her

for the bond. The connection. The reason for it all. Someone wanted her to stay away from her new friends, but she wasn't willing to do that. Everyone had secrets. She wanted to know theirs. They wanted to own hers. And the stalker? He seemed to know everything already.

Hi, I'm Alexis Delaney. I'm your average 17-year-old girl. Except I can see the dead. And talk to the dead. And push them away and, well, help them move on.

So..okay, I'm not your average 17-year-old girl. For years I've been struggling to survive the souls still roaming around. The shitheads always seem to find me. Moving from town to town every few months never helped either.

More dead just always find me.

But things are changing for me

now. I'm moving in with my uncle Rory and cousin Tara. I'm finally going to be able to do normal teenage stuff I've been missing out on. Right? Well, if this one bitch of a ghost could leave me alone on campus that would be great. Especially since I haven't told my new friends about my abilities. Can you believe this?

Five good looking guys practically adopt me on my first day of school, and I still think they're a bit nuts for it. Now if I can only just keep my life with the dead

from mixing with my normal life, everything would be great.

Yeah...I don't see that happening either. But I'm going to give it a shot. Who knows? It might work.
