Decolonizing Colonial Heritage explores how different agents practice the decolonization of European colonial heritage at European and extra-European locations. Assessing the impact of these practices, the book also explores what a new vision of Europe in the postcolonial present could look like. Including contributions from academics, artists and heritage practitioners, the volume explores decolonial heritage practices in politics, contemporary history, diplomacy, museum practice, the visual arts and self-generated memorial expressions in public spaces. The comparative focus of the chapters includes examples of internal colonization in Europe and extends to former European colonies, among them Shanghai, Cape Town and Rio de Janeiro. Examining practices in a range of different contexts, the book pays particular attention to sub-national actors whose work is opening up new futures through their engagement with decolonial heritage practices in the present. The volume also considers the challenges posed by applying decolonial thinking to existing understandings of colonial heritage. Decolonizing Colonial Heritage examines the role of colonial heritage in European memory politics and heritage diplomacy. It will be of interest to academics and students working in the fields of heritage and memory studies, colonial and imperial history, European studies, sociology, cultural studies, development studies, museum studies, and contemporary art. Aiden: Wolves of the Rising Sun #2 Bayou Moon Press, LLC

This beautiful book by Scott Ferry is filled with ghostly plainsongs sung between fathers and daughters and sons (and who isn't one of these) as they evolve toward and eventually away from one another. There is an urgency here to harvest before it's too late-that love particular to parents that rewrites itself in the palimpsest of a child. This is a book about sacred relationships and the power of tenderness. The poems in These Hands of Myrrh are ricochets from the front line born out of courage in the face of mortality. They have traveled through hard-earned wisdom to get to us. And as readers we can be thankful they arrived. -Gary Lemons, author of The Snake Quartet This collection immerses you gently, gradually, into a world where the mundane and the miraculous live side by side. Ferry shows us life and death, both the big moments (the birth of his son, the death of a neighbor, confronting alcoholism), as well as the small (gardening, a flight of birds, cleaning the fish tank). Before you know it, you are down in the underworld with him. Somehow, reality has shifted: ghosts communicate through streetlights. Trees have auras. The relationships between fathers and sons takes on a mythic quality. These poems are sharp, incisive, yet lyrical, often funny. Like all spiritual journeys, this book feels sometimes elemental and sometimes frightening, but always ends on a note of hope. -Lauren Scharhag, author of Languages, First and Last Don't let Scott Ferry's poems fool you and don't fail to let them captivate you. Their seemingly fragile beauty belies the tensile strength of a healer. They illustrate with precision the perspective of one who faces life and death on a daily basis, not losing either his grief over the inevitability of the former or the wonder and fleeting joy of the latter. Author Christopher Moore writes that children see magic because they never stop seeking it. Neither does Ferry. He illustrates a stippled landscape with flashes of gentle humor and softly graded shadows-repeated small touches, expertly placed, telling in the thought and affect they provoke in the reader. These poems linger long after reading them-for good reason. -Jonathan Yungkans, author of Beneath a Glazed Shadow

A USA TODAY BESTSELLER! "A powerful debut that proves the threads that interweave our lives can withstand time and any tide, and bind our hearts forever."—Susanna Kearsley, New York Times bestselling author of Belleweather and The Vanished Days A historical novel inspired by true events, Kelli Estes's brilliant and atmospheric debut is a poignant tale of two women determined to do the right thing, highlighting the power of our own stories. The smallest items can hold centuries of secrets... While exploring her aunt's island estate, Inara Erickson is captivated by an elaborately stitched piece of fabric hidden in the house. The truth behind the silk sleeve dated back to 1886, when Mei Lien, the lone survivor of a cruel purge of the Chinese in Seattle found refuge on Orcas Island and shared her tragic experience by embroidering it. As Inara peels back layer upon layer of the centuries of secrets the sleeve holds, her life becomes interwoven with that of Mei Lien. Through the stories Mei Lien tells in silk, Inara uncovers a tragic truth that will shake her family to its core—and force her to make an impossible choice. Should she bring shame to her family and risk everything by telling the truth, or tell no one and dishonor Mei Lien's memory? A touching and tender book for fans of Marie Benedict, Susanna Kearsley, and Duncan Jepson, The Girl Who Wrote in Silk is a dual-time period novel that explores how a delicate piece of silk interweaves the past and the present, reminding us that today's actions have far reaching implications. Praise for The Girl Who Wrote in Silk: "A beautiful, elegiac novel, as finely and delicately woven as the title suggests. Kelli Estes spins a spellbinding tale that illuminates the past in all its brutality and beauty, and the humanity that binds us all together." —Susan Wiggs, New York Times bestselling author of The Beekeeper's Ball "A touching and tender story about discovering the past to bring peace to the present." —Duncan Jepson, author of All the Flowers in Shanghai "Vibrant and tragic, The Girl Who Wrote in Silk explores a horrific, little-known era in our nation's history. Estes sensitively alternates between Mei Lien, a young Chinese-American girl who lived in the late 1800s, and Inara, a modern recent college grad who sets Mei Lien's story free." —Margaret Dilloway, author of How to Be an American Housewife and Sisters of Heart and Snow
