The Ethical Dentist Admission Test Series (Ats) This is the only resource you will need to prepare for and pass your certification exams. CERTIFICATION EXAM REVIEW FOR DENTAL ASSISTING, 1st Edition is designed around the Dental Assisting National Board (DANB) Examination blueprint. Its fresh approach centers on how and what to study to pass a variety of state and regional exams, while eliminating tangential material that can bog down the study process. Exam-focused chapters cover General Chairside Assisting, Infection Control, and Radiation Safety, including photos, procedures, and terminology. CERTIFICATION EXAM REVIEW FOR DENTAL ASSISTING, 1st Edition also lays a foundation for the testing experience with an overview of the CDA, RHA, and ICE exams, exam study techniques and tips, and a discussion of other certifications offered by the DANB. Every chapter begins with a pre-test test containing a variety of exam questions on a particular topic area of the exam and concludes with answers, and rationales for each of the questions presented. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Ethics, Jurisprudence, and Practice Management in Dental Hygiene Mometrix Media LLC

The third edition of Traumatic Dental Injuries: A Manual builds on the widespread success of the previous two editions. The ultimate guide to dental trauma, the manual preserves its uniquely usable and reader-friendly format, demonstrating step-by-step treatment protocols for commonly occurring traumatic injuries. Several new sections have been added to expand the number of clinical scenarios, describing soft tissue injuries associated with dental trauma, showing how decoronation of ankylosed anterior teeth in adolescents can preserve the alveolar process for later implant placement, and identifying predictors for pulpal and periodontal ligament healing complications as well as for tooth loss. A unique feature of the new edition is the accompanying DVD which presents computer animations of all trauma scenarios, as well as links to the internet-based interactive Dental Trauma Guide to predict healing complication for individual trauma scenarios. This title is also available as a mobile App from MedHand Mobile Libraries. Buy it now from Google Play or the MedHand

Store. Please note The DVD no longer accompanies the book but all of the DVD's content can be accessed via the following link: <https://wiley.mpstechnologies.com/wiley/BOBContent/searchLPBobContent.do> Once here, please enter the ISBN and click 'search'. The content will then be available to download.

Occupations Code Mometrix Media LLC

Updated to reflect the current ethical climate, this book presents clinical practice cases in which arguments can be made for differing courses of action or in which the obligations of the professional are in conflict; the reader is asked to determine the ethically correct response to such conflicts. In this revised edition, detailed background material has been added to many of the cases to foster more well-reasoned ethical decision making. In addition, cases on sexual harassment and advertising have been introduced, and those on financial and HIV issues have been updated. An entirely new chapter on the structure and obligations of the various professions has been added. This book will continue to be of value to members of the dental profession and is now better suited to the needs of ethics courses for dental students.

Law School Exams: A Guide to Better Grades is the complete handbook for students seeking to improve their performance in law school. This book offers a concise and practical strategy that can be applied to almost any law school exam, regardless of topic or level. Alex Schimel is a Lecturer-in-Law at the University of Miami and a leading expert on law school academic success. The new edition offers unique insights by reducing the exam format to a series of repeatable steps. It also teaches students how to prepare for exams, instead of preparing for class, with proven time-management and outlining techniques.

Ethical Questions in Dentistry Elsevier Health Sciences

Textbook provides a current overview of the field and features a detailed discussion of common ethical situations and practice management. Focuses on technology in the workplace. Chapter activities and exercises are included.

Secrets of the Orthodontic Assisting Exam Study Guide Saunders

The most efficient, readable, and reasonable option

for preparing for the Texas Medical Jurisprudence Examination, a required test for physician licensure in Texas. The goal of this study guide is to hit the sweet spot between concise and terse, between reasonably inclusive and needlessly thorough. This short book is intended to be something that you can read over a few times for a few hours before your test and easily pass for a reasonable price, with enough context to make it informative and professionally meaningful without being a \$200 video course or a 300-page legal treatise. After all, the Texas JP exam isn't Step 1-it's a \$58 pass/fail test!
