Social Studies - New York City Department of Education
South African National Department of Basic Education. These documents are intended to

serve as resources for teachers and learners.
Curriculum and Assessment Policy Statement BUSINESS STUDIES
The goal of social studies is to make sure that all students graduate from high school prepared for college, a career, and a future as a productive adult. Students use rich content, themes and big ideas to learn history, geography, economics, civics, citizenship and government.
Departments and Programs
Business and Marketing Education. Provides relevant learning that is a critical link to employment and post-secondary education, encourages the development of vital relationships with the business community, and promotes critical thinking and problem solving. A document which provides common language, goals and reference points for employers, students and educators for this program area.
New York City Department of Education

The topic teaches you about how to write reports for your business activities. It also teaches you how to present information to other people who may be interested in doing business with you such as banks, the taxation department, business partners and investors. This is the last unit in the Grade 9 Business Studies Course.

National Department of Basic Education > Home
