Marcy Residential Mental Health Unit

The Challenge. The rate of mental illness and other behavioral health needs among the daily population at Rikers Island has significantly increased in recent years, from 29% in 2010 to 42% in 2016.¹ If this increase continues, within a few years roughly half of those detained at Rikers will have mental illness. Already, 11 of every 100 people at Rikers have serious mental illness.² Because ...
