Revised School-Based Management - SlideShare

School-based management (SBM) is a strategy to improve education by transferring significant decision-making authority from state and district offices to individual schools. SBM provides principals, teachers, students, and parents greater control over the education process by giving them responsibility for decisions about the budget, personnel, and the curriculum.

REVISED SCHOOL-BASED MANAGEMENT ASSESSMENT TOOL

October 28, 2015 The School-Based Management (SBM) is a DepEd thrust that decentralizes the decision-making from the Central Office and field offices to individual schools to enable them to better respond to their specific education needs. One way to empower the schools is through the SBM grant.
