Oliver's Hunger (Scanguards Vampires #7) Simon and Schuster

Now in paperback, Carver's internationally bestselling debut thriller featuring a very different kind of serial killer. A shocking double-murder scene greets Detective Inspector Philip Brennan when he is called to a flat in Colchester. Two women are viciously cut open and lying spread-

eagled, one tied to the bed, one on the floor. The woman on the bed has had her stomach cut into and her unborn child is missing. But this is the third time Phil and his team have seen such an atrocity. Two other pregnant women have been killed in this way and their babies taken from them. No one can imagine what sort of person would want to commit such horrible crimes. When psychologist Marina Esposito is brought in, Phil has to put aside his feelings about their shared past and get on with the job. But can they find the killer before another woman is targeted?

Der Menschenmacher Simon and Schuster

In *Shadow Man*, Cody McFadyen took the suspense thriller where other writers have feared to tread. He introduced readers to a heroine every bit as dark and edgy as the serial killers she hunts: Special Agent Smoky Barrett. Now, in his latest novel,

McFadyen brings Agent Barrett back to track down a killer who breaks all the rules. "I want to talk to Smoky Barrett or I'll kill myself." The girl is sixteen, at the scene of a grisly triple homicide, and has a gun to her head. She claims "The Stranger" killed her adoptive family, that he's been following her all her life, killing everyone she ever loved, and that no one believes her. No one has. Until now. Special Agent Smoky Barrett is head of the violent crimes unit in Los Angeles, the part of the FBI reserved for tracking down the worst of the worst. Her team has been handpicked from among the nation's elite law enforcement specialists and they are as obsessed and relentless as the psychos they hunt; they'll have to be to deal with this case. For another vicious double homicide reveals a killer embarked on a dark crusade of trauma and death: an "artist" who's molding sixteen-year-old Sarah into the perfect victim—and the ultimate weapon. But Smoky Barrett has another, more personal reason for catching The Stranger—an adopted daughter and a new life that are worth protecting at any cost. This time Smoky is going to have to put it all on the line. Because The Stranger is all too real, all too close, and all too relentless. And when he finally shows his face, if she's not ready to confront her worst fear, Smoky won't have time to do anything but die.

Is this Heaven . . . or Hell? Estranged identical twins Daniel and Max have a complex relationship, so when Daniel goes to visit his bi-polar brother in a remote and expensive Swiss 'recovery' clinic, he has no idea what really lies in wait for him. Lulled by the routine and peacefulness of the clinic, Daniel finds himself unquestioningly accepting Max's plea for help in taking care of some business, and the brothers swap places for a few days. But soon Daniel realises

Max isn't coming back, and that the clinic is far from a place of recovery. Struggling to get anyone to believe who he really is, Daniel finds himself trapped in a cruel and highly secretive prison: this is no sanctuary, it's a living nightmare . . . With the atmosphere of Shutter Island and the intensity of Jussi Adler-Olsen, immerse yourself in this relentlessly compelling psychological thriller from one of Sweden's bestselling crime authors.

All the Pretty Girls Bantam

Wake Penguin UK

For FBI Special Agent Smoky Barrett, her colleague's wedding is cause for celebration. Until a woman staggers down the aisle—incoherent, wearing only a white nightgown. A fingerprint check determines that she's been missing for nearly eight years. Her coldly efficient captor toyed with her mind and body, imprisoning her, depriving her of any contact with the outside world. As Smoky fits together the pieces of what remains of the victim's fractured life, a chilling picture emerges of a cerebral psychopath who doesn't take murder personally, never makes a mistake, follows his own sinister logic, and has set the perfect trap.

Holly's Inbox Macmillan

One rainy night in New York City, outstanding law student Chloe Larson wakes from a terrible nightmare. But it's not a nightmare - it's real. Not only is she savagely violated in her own bedroom, Chloe then has to deal with the horror of nobody being brought to justice. Twelve years later a very different Chloe is forging a formidable reputation in the Miami Dade State Attorney's Office, as a vicious serial killer

nicknamed Cupid terrorises Florida - tearing out his tortured victim's hearts while they're still conscious. When the police stop a driver on the McArthur Causeway and a mutilated corpse is found in his trunk, it seems the hunt for Cupid is finally over. But as Chloe begins the task of prosecuting the suspect, she soon realises that this case will be anything but easy. Because her past is about to force itself on her present - and the terror is only just beginning. Sometimes there's a price to be paid for justice. And sometimes that price is awful. Revenge could cost Chloe her sanity. The truth could cost her her life. THE PAST. THE PRESENT. THE TERROR.

Ausgelöscht - 4. Fall für Smoky Barrett Silhouette

October 2011. While West Berlin enjoys all the trappings of capitalism, on the crowded, polluted, Eastern side of the Wall, the GDR is facing bankruptcy. The ailing government's only hope lies in economic talks with the West, but then an ally of the GDR's chairman is found murdered – and all the clues suggest that his killer came from within the Stasi. Detective Martin Wegener is assigned to the case, but, with the future of East Germany hanging over him, Wegener must work with the West German police if he is to find the killer, even if it means investigating the Stasi themselves. It is a journey that will take him from Stasi meeting rooms to secret prisons as he begins to unravel the identity of both victim and killer, and the meaning of the mysterious Plan D. Plan D is a gripping thriller and a thought-provoking alternative history in the vein of Robert Harris's Fatherland and John le Carré's The Spy Who Came in from the Cold.

Retribution BASTEI LÜBBE

Der Tod war bei dir, und du wünschst, er hätte dich nicht am Leben gelassen ... "Ich habe ein Geschenk für dich, Special Agent Barrett." Smoky Barrett sieht von ihrem Handy auf. Die anderen Hochzeitsgäste blicken auf das Brautpaar vor dem Altar. Motorenheulen durchbricht die Stille. Ein Lieferwagen hält vor der Kirche, und eine Frau wird auf die Straße gestoßen. Ihr Kopf ist kahl geschoren; sie trägt ein weißes Nachthemd. Sie taumelt auf den Altar zu, fällt auf die Knie und stößt einen lautlosen Schrei aus. Smoky findet heraus, dass die Frau vor sieben Jahren verschwunden ist. Sie kann nicht über das reden, was ihr zugestoßen ist: Jemand hat eine Lobotomie an ihr durchgeführt und die Nervenbahnen ihres Gehirns durchschnitten. Sie ist nicht tot, vegetiert aber als leblose Hülle vor sich hin. Es wird weitere Opfer geben. Mit dem mittlerweile vierten Fall für FBI-Agentin Smoky Barrett entführt Cody Mcfadyen den Leser erneut in die Tiefen menschlicher Abgründe.

Gänsehaut-Garantie: Der Thriller *Der Menschenmacher* von Bestsellerautor Cody Mcfadyen *Evolviere!* - David starrt den Brief an, in dem nur dieses eine Wort steht, und schon kehren die grausamen Erinnerungen zurück: wie seine alleinstehende Mutter tödlich verunglückte, als er sechs Jahre alt war. Wie er zusammen mit zwei weiteren Kindern von einem Mann adoptiert wurde, den sie "Vater" nennen sollten. Wie dieser seine Adoptivkinder mit Brutalität und Grausamkeit dazu bewegen wollte, zu "evolviere." Zwanzig Jahre später hat David sich zum angesehenen Schriftsteller entwickelt, doch die Schatten seiner Vergangenheit scheinen nicht ruhen zu wollen. Damals hatten

die Kinder einhellig Vaters Tod beschlossen und sind ein großes Wagnis eingegangen. Hat Vater überlebt? Beginnt der Albtraum für David von Neuem? Cody Mcfadyen beweist mit diesem brutalen, emotionalen Thriller wahre Erzählkunst. Cody Mcfadyen wurde 1968 im texanischen Fort Worth geboren. Nach einer abgebrochenen Highschool-Ausbildung arbeitete er, unter anderem, im sozialen Dienst und als Drogenberater, ehe er sich in den 1990ern schließlich völlig der Schriftstellerei widmete. Mcfadyen lebt heute mit seiner Tochter in Südkalifornien und gehört zu den erfolgreichsten Krimi-Autoren weltweit.

A little boy and his grandfather embark on a quest to find the old man's missing birthday in Diana Rosie's debut novel, Alberto's Lost Birthday. Alberto is an old man. But he doesn't know how old - he remembers nothing before his arrival at an orphanage during the Spanish civil war. He rarely thinks about his missing childhood, but when seven-year-old Tino discovers his grandfather has never had a birthday party, never blown out candles on a birthday cake, never received a single birthday present, he's determined things should change. And so the two set out to find Alberto's birthday. Their search for the old man's memories takes them deep into the heart of Spain - a country that has pledged to forget its painful past. As stories of courage, cruelty and love unfold, Alberto realises that he has lost more than a birthday. He has lost a part of himself. But with his grandson's help, he might just find it again.

Pretty Little Things Bantam

After nine years as one of Chicago's finest, Erin McNeal had come to sleepy Logan Falls for a second chance, not to be watched over by a man as infuriatingly overprotective- and disarmingly attractive-as Nick Ryan. She was no damsel in distress, but someone wanted her dead, and Nick knew better than to entrust a guilt-driven daredevil with her own safety. It was his duty to protect her-whether she liked it or not. It seemed the only thing the chief of police and his newest deputy could agree on was the one thing they couldn't resist-each other. Could the cautious single father and the reckless beauty be cops...and lovers?

Cops and...Lovers? BASTEI LÜBBE

Once, Special Agent Smoky Barrett hunted serial killers for the FBI. She was one of the best—until a madman terrorized her family, killed her husband and daughter, and left her face scarred and her soul brutalized. Turning the tables on the killer, Smoky shot him dead—but her life was shattered forever. Now Smoky dreams about picking up her weapon again. She dreams about placing the cold steel between her lips and pulling the trigger one last time. Because for a woman who's lost everything, what is there left to lose? She's about to find out. In all her years at the Bureau, Smoky has never encountered anyone like him—a new and fascinating kind of monster, a twisted genius who defies profilers' attempts to understand him. And he's issued Smoky a direct challenge, coaxing her back from the brink with the only thing that could convince her to live. The killer videotaped his latest crime—an act of horror that left a child motherless—then sent a message addressed to Agent Smoky Barrett. The message is enough to shock Smoky back to work, back to her FBI team. And that child awakens something in Smoky she thought was gone forever. Suddenly the stakes are raised. The game has changed. For as this deranged monster embarks on an unspeakable spree of perversion and murder, Smoky is coming alive again—and she's about to face her greatest fears as a cop, a woman, a mother . . . and a merciless killer's next victim.

BioShock: Rapture Hachette UK

A brilliantly dark literary debut of death, destruction and interior decoration. "But for the floors, and the sofa, and the porn, and the dead and missing, the flat was restored to order." An old friend asks you to look after his two cats and his apartment. What could go wrong? Care of Wooden Floors is about how a tiny oversight can trip off a disastrous and farcical (fatal, even) chain of consequences. It's about a friendship between two men who don't know each other very well. It's about alienation and being alone in a foreign city. It's about the quest for perfection and the struggle against entropy. And it is, a little, about how to take care of wooden floors. Oskar is a Mittel-European minimalist composer best known for a piece called "Variations on Tram Timetables." He is married to a Californian art dealer named Laura and he lives with two cats, named after Russian composers, in an Eastern European city. But this book isn't really about Oskar. Oskar is in Los Angeles, having his marriage to Laura dismantled by lawyers. He has entrusted an old university friend with the task of looking after his cats, and taking care of his perfect, beautiful apartment. Despite the fact that Oskar has left dozens of surreally detailed notes covering every aspect of looking after the flat, things do not go well. Dark, funny

and compelling, this novel takes your breath away with its extraordinarily distinctive writing. The voice is unexpected, constantly, but consistently conveys a universal human experience that pulls the reader right into the world of the narrator.
