Is Economics Performative? Option Theory and the ...

May 16, 2006 Timothy F. Geithner, President and ... The innovations that have taken place in the credit derivatives market were driven to a significant degree by the losses experienced in past crises, but most of the growth in this market has occurred in relatively favorable overall economic and financial conditions. ... Second, we believe that ...

Derivatives Markets: Pearson New International Edition ...

The thesis that economics is "performative" (Callon 1998) has provoked much interest but also some puzzlement and not a little confusion. The purpose of this article is to examine from the viewpoint of performativity one of the most successful areas of modern economics, the theory of options, and in so doing hopefully to clarify some of the issues at stake.
