The task is simple: Don a disguise. Survive the labyrinth . . . Best the boys. Every year for the past fifty-four years, the residents of Pinsbury Port have received a mysterious letter inviting all eligible-aged boys to compete for an esteemed scholarship to the all-male Stemwick University. The poorer residents look to see if their

names are on the list. The wealthier look to see how likely their sons are to survive. And Rhen Tellur opens it to see if she can derive which substances the ink and parchment are created from, using her father ' s microscope. In the province of Caldon, where women train in wifely duties and men pursue collegiate education, sixteen-year-old Rhen Tellur wants nothing more than to become a scientist. As the poor of her seaside town fall prey to a deadly disease, she and her father work desperately to find a cure. But when her mum succumbs to it as well? Rhen decides to take the future into her own hands—through the annual all-male scholarship competition. With her cousin, Seleni, by her side, the girls don disguises and enter Mr. Holm ' s labyrinth, to best

the boys and claim the scholarship prize. Except not everyone is ready for a girl who doesn't know her place. And not everyone survives the deadly maze. Welcome to the labyrinth. Praise for *To Best the Boys*: "Atmospheric, romantic, inspiring." —KRISTEN CICCARELLI, internationally bestselling author of *The Last Namsara* "Smart, determined, and ready to take on the world: *Rhen Tellur* is an outstanding heroine with every reason to win a competition historically intended for boys." —Jodi Meadows, *New York Times* bestselling author of *The Incarnate Trilogy* and coauthor of *My Lady Jane A* "Hunger Games/Handmaid's Tale mash-up." —BN Teen Blog

Chicken Soup for the Teenage Soul on Love & Friendship

The Woman who Had Two Navels
Dream Jungle Primitivo "Tibo" Mijares was Ferdinand Marcos's prized "media czar" and chief propagandist until his defection in 1975. In 1972, Tibo moved to the Marcos-controlled Daily Express and assumed the presidency of the National Press Club of the Philippines and chairperson of the Media Advisory Council, effectively becoming--in his own words--"the sole conduit between the

military government and the practicing media." In 1975, Tibo defected. He knew too much and so informed a Congressional Committee in the United States, in June 1975. Despite Marcos's efforts to stop its publication, The Conjugal Dictatorship was published in 1976. A year after the publication of the book, Tibo was never heard from again and was declared legally dead years later. Tibo's youngest son, Luis Manuel, was abducted, tortured, and later found murdered and mutilated in 1977, as a result of the publication of The Conjugal Dictatorship. He was 16 years old.

Shadow of Doubt Random House

A captivating and profound debut novel about complicated love and the friendships that have the power to transform you forever, perfect for fans of Nina LaCour and of The Perks of Being a Wallflower. Mira is starting over at Saint Francis Prep. She promised her parents she would at least try to pretend that she could act like a

functioning human this time, not a girl who can't get out of bed for days on end, who only feels awake when she's with Sebby. Jeremy is the painfully shy art nerd at Saint Francis who's been in self-imposed isolation after an incident that ruined his last year of school. When he sees Sebby for the first time across the school lawn it's as if he's been expecting this blond, lanky boy with a mischief glinting in his eye. Sebby, Mira's gay best friend, is a boy who seems to carry sunlight around with him. Even as life in his foster home starts to take its toll, Sebby and Mira together craft a world of magic rituals and impromptu road trips, designed to fix the broken parts of their

lives. As Jeremy finds himself drawn into Sebby and Mira's world, he begins to understand the secrets that they hide in order to protect themselves, to keep each other safe from those who don't understand their quest to live for the impossible.

Approximately three million Japanese died in a conflict that raged for years over much of the globe, from Hawaii to India, Alaska to Australia, causing death and suffering to untold millions in China, southeast Asia and the Pacific Islands, as well as pain and anguish to

families of soldiers and civilians around the world. Yet how much do we know of Japan's war? In a sweeping panorama, Haruko Taya and Theodore Cook take us from the Japanese attacks on China in the 1930s to the Japanese home front during the devastating raids on Tokyo, Hiroshima and Nagasaki, offering the first glimpses of how this violent conflict affected the lives of ordinary Japanese people. 'Oral History of a compellingly high order.' Kirkus Reviews 'This book seeks out the true feelings of the wartime generation [and] illuminates the contradictions

between official views of the war and living testimony.' Yomiuri Shimbun
