Descent into Hell is a fictional interpretation of Galatians 6.2 - "Bear one another's burdens". However, Chs Williams takes that up as a spiritual, if not sacramental reality.

This story changed forever my view of what it means to bear one another's burdens.

Williams also demonstrates the insidious self-destroying effect of lust.

## Charles Williams (British writer) - Wikipedia

In Charles Williams's novel Descent into Hell, Hell turns out to be nothing other than a refusal to see things as they really are. Arguably his finest novel, the "descent" in the title happens to an ordinary (if extraordinarily selfish) historian named Wentworth, whose daily choices to cheat on the truth slowly but surely lead him into a terrifying state of isolation and egotism.
