The Lady Tempts an Heir

HarperCollins

Sometimes love is hiding in the unlikeliest of places? Evelyn Thorncroft wants to marry a duke, but she'll settle for an earl. The Earl of Hawkridge, to be precise. The only problem? Weston cannot stand the sight of her. At least, that's what he says. Their passionate kisses, however, tell a very different story? From the first moment he sees Evie across a crowded ballroom, Weston desires her. The dark-haired American is beautiful, intelligent, and charming. The only problem? She's a money-grubbing hoyden after his family's fortune. At least, that's what Weston tells himself. His heart, however, tells a very different story? Trapped under the same roof during a

house party, Evie and Weston struggle to control their blistering chemistry. Neither are looking for love, and past hurts have made them far too cynical to believe in happily-ever-after. But when two wounded hearts (and an orphaned lamb) are involved, anything is possible? including true love.

Entranced by the Earl
HarperCollins

Once upon a time there were three young ladies who, despite their fortunes, had been on the marriage mart a bit too long. They were known as "the Spinster Heiresses" . . . Miss Cassandra Holwell is too tall, too bookish, and too smart—but she does have money and a father who wants a grand title for her. Cassandra hasn't felt a desire to marry until she meets the sinfully handsome Duke of Camberly, who captures

her imagination . . . until Soren York, Earl of Dewsberry and her family 's sworn enemy, steps in the way. The Holwells ruined Soren 's family, and he 's lived on the knife 's edge trying to resurrect their fortunes . . . until he considers marrying the Holwell Heiress. Not only would her dowry give him the funds he needs, he has secretly had an eye on the independent-minded bluestocking since they both first realized the differences between men and women. She likes to read; he has no patience for books. She knows little of sex; he is a man of the world and willing to school her. Her family destroyed his; his offer of marriage may be her only salvation. Now Cassandra and Soren must learn to love each other for who they are, not what they are—and the lessons are becoming an exercise in absolute pleasure.

A Good Day to Marry a Duke Penguin

A deliciously told group biography of the young, rich, American heiresses who married into the impoverished British aristocracy at the turn of the twentieth century - the real women who inspired Downton Abbey Towards the end of the nineteenth century and for the first few years of the twentieth, a strange invasion took place in Britain. The citadel of power, privilege and breeding in which

the titled, land-owning governing class had barricaded itself for so long was breached. The incomers were a group of young women who, fifty years earlier, would have been looked on as the alien denizens of another world - the New World, to be precise. From 1874 - the year that Jennie Jerome, the first known 'Dollar Princess', married Randolph Churchill - to 1905, dozens of young American heiresses married into the British peerage, bringing with them all the fabulous wealth, glamour and sophistication of the Gilded Age. Anne de Courcy sets the

stories of these young women and their families in the context of their times. Based on extensive first-hand research, drawing on diaries, memoirs and letters, this richly entertaining group biography reveals what they thought of their new lives in England - and what England thought of them.
