SAT II Subject Tests Cengage Learning
En Activo is a contemporary course which provides students with a structured development of written and spoken business language skills, focusing on real business people and situations from all over the Spanish-speaking world. The book consists of twenty chapters that incorporate contextual information on the business environment of Spain and Latin America, role-plays, illustrative dialogues, dedicated written exercises, relevant grammar instruction, practical communicative exercises, up-to-date practical advice, model items of written and spoken business protocol, and links to numerous carefully-selected and integrated websites. Each chapter is structured as follows: -Le Presento a...: introduction of the central individual and their working life -Escuche, por favor: extensive listening exercises and accompanying activities -Recuerde que...: grammar revision and communicative exercises -Para saber más: deepens knowledge about Spanish

and Latin-American business culture and etiquette -Así se hace: hands-on section practising business situations and day-to-day tasks -¿Sabe navegar?: practices web research and web etiquette. Each fifth chapter is a revision chapter, which puts the acquired knowledge in practice via discussion groups, presentations and debates. The supporting website at www.enactivo.info features additional web and learning resources and exercises. An audio CD containing all interviews and listening comprehension exercises is available separately. At the end of this course the student will have a sound knowledge of the Spanish speaking business world and the language skills required to put this knowledge in practice.

Russian in Use: An Interactive Approach to Communicative Competence is a four-skill language textbook intended for advanced students of Russian. The book focuses on high-frequency, nonliterary topics of general interest: geography, education, politics, ecology, and Russians' perceptions of America. Each chapter contains preparatory vocabulary and user-friendly grammatical exercises supported by examples from contemporary popular literature. The lessons then provide practice using external resources; authentic reading texts; authentic, unscripted listening exercises (available online); and independent writing and speaking activities. The book emphasizes independent language production. Students examine topics from diverse perspectives and then are encouraged to develop and defend their own opinions in clear, colloquial standard Russian. Russian in Use is accompanied by an instructor's manual, which contains keys to the exercises and transcripts of the listening passages.

French in Action Longman

The two Workbooks, one for each 26-lesson part, are the students' chief resource and handbook for analysis of the French language and culture that they first encounter in the videos. Each workbook lesson is coordinated with the audio program and reinforces the oral comprehension using images drawn from the video program. New grammatical material is introduced in clear reference tables and immediately put to work in the oral, aural, and written exercises. The workbooks also contain additional materials for skits, dictées, and writing assignments, as well as review exercises for self-testing. Learning activities in the second edition of the workbooks have been reorganized for greater effectiveness and ease of use. A redesigned and enlarged workbook index that includes a new series of verb charts has also been provided.

¡ Avance!: Intermediate Spanish is an exciting program for second-year students of Spanish. In response to requests from many users of the highly acclaimed Pasajes series, McGraw-Hill is pleased to publish the Second Edition of this single volume version, which distills the very best of Pasajes: Lengua, Cultura, and Literatura. The result is a comprehensive yet manageable program that enriches students' language foundation in thematic vocabulary and grammatical structures with a broad selection of literary and cultural readings. The overall goal of ¡ Avance! is the development of functional, communicative language ability, accomplished through reinforcement, expansion, and synthesis. Contextualized activities that review language and foster skill development provide the core of ¡ Avance! At the same time, the growing

interest in cultural competence coupled with the desire to introduce students to literature at the intermediate level motivates the inclusion of cultural and literary texts in alternate chapters. As a result, ¡ Avance! meets the professional demand that instructional materials be not merely contextualized but also content-rich and interesting to today ' s students.

Experience Spanish: Un mundo sin l í mites, presents vocabulary and grammar in action through culture. With emphasis on the 5C ' s, the Experience Spanish program delivers dynamic opportunities for communicative practice in all course delivery formats built upon the following principles: Culture is core: Culture is infused throughout the program. The students ' cultural experience and exposure is

not limited to special cultural sections, but rather embedded in Education

presentations as well as in vocabulary and grammar practice.

The dedicated cultural sections are rich and varied: Entrada cultural, Expresiones art í sticas, Notas culturales, Notas interdisciplinarias, Lectura cultural, Concurso de videoblogs, Conexiones culturales en vivo, and Conexiones culturales. These readings, videos, notes, and fine art presentations offer students extensive cultural perspectives and promote cross-cultural comparisons and connections. Language in action: Vocabulary in Experience Spanish is presented visually through colorful, engaging illustrations, and put into action with personal and communicative activities. Grammar points are introduced with contextualized short dialogues or cultural readings that immediately illustrate the concepts in action, allowing students to experience the structures in context before focusing on the forms and rules. Personalized experience: No two students are alike. Why should their learning paths be? LearnSmart uses revolutionary adaptive technology to build a learning experience unique to each student ' s individual needs. Students engage in targeted vocabulary and grammar practice so they are prepared to practice communication in the classroom. To further the personalized experience, we ' re excited to announce the interactive 3-D game, Practice Spanish: Study Abroad, that immerses students in a virtual study abroad experience in Colombia. Practice Spanish, accessible on laptops and mobile devices, allows students to practice real world language in a game environment that integrates culture, grammar, and vocabulary.
