Answers To Developing Skills In Algebra Book A
Math skills are just one part of a larger web of skills that children are developing in the early years—including language skills, physical skills, and social skills. Each of these skill areas is dependent on and influences the others.

Help Your Child Develop Early Math Skills

- ZERO TO THREE

But keep in mind that kids develop math skills at different rates. If kids don't yet have all the skills listed for their age group, that's OK. Here's how math skills typically develop as kids get older. Babies

(0 – 12 months) Begin to predict the sequence of events (like running water means bath time)
