Developmental Psychology An Advanced Textbook

Book Description. Developmental Science: An

Advanced Textbook is the most complete and cutting-

edge introduction to the field available today. Since its

initial publication, the key purpose of the text has

been to furnish inclusive developmental perspectives

on all substantive areas in psychology—neuroscience,

perception, cognition, language, emotion, and social

interaction.

Developmental psychology : an advanced textbook (Book ...

"Cognitive Development: An Advanced

Textbook is a successful text and reference book.

One of its more prominent strengths is the big-

picture approach used throughout and its

challenging synthesis. This book, having

somewhat eliminated the traditional, but artificial,

line between human development and

educational psychology, need not be seen as

limited to human development classes.
