The Deviants were an English rock group originally active in the late 1960s, but still used as a vehicle for the musical work of writer Mick Farren. Farren has stated that The Deviants were originally a community band which "did things every now and then—it was a total assault thing with a great deal of inter-relation and interdependence".

Deviant - definition of deviant by The Free Dictionary

"Deviants" by Maureen McGowan is not my cup of tea, but it wasn't horrible. Not the best way to start a review but I like to be upfront, I didn't like the book for the first half of it. It is a teen girl scifi dystopia novel similar to "Under the Never Sky" by Veronica Rossi. It is about the same level in terms of writing skills.

DEVIANT | meaning in the Cambridge English Dictionary

One that differs from a norm, especially a person whose behavior and attitudes differ from accepted social standards. [Middle English deviaunt, from Late Latin d vi ns, d viant-, present participle of d vi re, to deviate; see deviate.]

Deviant (comics) - Wikipedia

Ziran mutated them to have an unstable genome, creating the Deviants (Homo descendus). The Deviants became a race with destabilized DNA producing various mutations, who were then released and went hiding in caves.
