A juvenile delinquent, a world-class NCAA miler, a 1936 Olympian, a World War II bombardier: Louis Zamperini had a life fuller than most when it changed in an instant. On May 27, 1943, his B-24 crashed into the Pacific Ocean. Louis and two other survivors found a raft amid the flaming wreckage and waited for rescue. Instead, they drifted two thousand miles for forty-seven days. Their only food: two shark livers and three raw albatross. Their only water: sporadic rainfall. Their only companions: hope and faith -- and the ever-present sharks. On the forty-seventh day, mere skeletons close to death, Zamperini and pilot Russell Phillips finally spotted land -- and were captured by the Japanese. Thus began more than two years of torture and humiliation as prisoners of war. Zamperini was threatened with beheading, subjected to medical experiments, routinely beaten, hidden in a secret interrogation facility, starved and forced into slave labor, and was the constant victim of a brutal prison guard nicknamed the Bird -- a man so vicious that the other guards feared him and called him a psychopath. Meanwhile, the Army Air Corps declared Zamperini dead and President Roosevelt sent official condolences to his family, who never gave up hope that he was alive. Somehow Zamperini survived and he returned home a hero. The celebration was short-lived. He plunged into drinking and brawling and the depths of rage and despair. Nightly, the Bird's face leered at him in his dreams. It would take years, but with the love

of his wife and the power of faith, he was able to stop the nightmares and the drinking. A stirring memoir from one of the greatest of the "Greatest Generation," *Devil at My Heels* is a living document about the brutality of war, the tenacity of the human spirit, and the power of forgiveness.

In boyhood, Louis Zamperini was an incorrigible delinquent. As a teenager, he channeled his defiance into running, discovering a prodigious talent that had carried him to the Berlin Olympics. But when World War II began, the athlete became an airman, embarking on a journey that led to a doomed flight on a May afternoon in 1943. When his Army Air Forces bomber crashed into the Pacific Ocean, against all odds, Zamperini survived, adrift on a foundering life raft. Ahead of Zamperini lay thousands of miles of open ocean, leaping sharks, thirst and starvation, enemy aircraft, and, beyond, a trial even greater. Driven to the limits of endurance, Zamperini would answer desperation with ingenuity; suffering with hope, resolve, and humor; brutality with rebellion. His fate, whether triumph or tragedy, would be suspended on the fraying wire of his will. NATIONAL BESTSELLER • The dramatic, untold history of the heroic women recruited by Britain’s elite spy agency to help pave the way for Allied victory in World War II “Gripping. Spies, romance, Gestapo thugs, blown-up trains, courage, and treachery (lots of treachery)—and all of it true.” —Erik Larson, author of *The Devil in the White City* and *Dead Wake* In 1942, the Allies were losing, Germany seemed unstoppable, and every able man in England was on the front lines. To “set Europe ablaze,” in the words of Winston Churchill, the Special Operations Executive (SOE), whose spies were trained in everything from demolition to sharpshooting, was forced to do

something unprecedented: recruit women. Thirty-nine answered the call, leaving their lives and families to become saboteurs in France. In *D-Day Girls*, Sarah Rose draws on recently declassified files, diaries, and oral histories to tell the thrilling story of three of these remarkable women. There's Andr e Borrel, a scrappy and streetwise Parisian who blew up power lines with the Gestapo hot on her heels; Odette Sansom, an unhappily married suburban mother who saw the SOE as her ticket out of domestic life and into a meaningful adventure; and Lise de Baissac, a fiercely independent member of French colonial high society and the SOE's unflappable "queen." Together, they destroyed train lines, ambushed Nazis, plotted prison breaks, and gathered crucial intelligence—laying the groundwork for the D-Day invasion that proved to be the turning point in the war. Rigorously researched and written with razor-sharp wit, *D-Day Girls* is an inspiring story for our own moment of resistance: a reminder of what courage—and the energy of politically animated women—can accomplish when the stakes seem incalculably high. Praise for *D-Day Girls* “Rigorously researched . . . [a] thriller in the form of a non-fiction book.” —Refinery29 “Equal parts espionage-romance thriller and historical narrative, *D-Day Girls* traces the lives and secret activities of the 39 women who answered the call to infiltrate France. . . . While chronicling the James Bond-worthy missions and love affairs of these women, Rose vividly captures the broken landscape of war.” —The Washington Post “Gripping history . . . thoroughly researched and written as smoothly as a good

thriller, this is a mesmerizing story of creativity, perseverance, and astonishing heroism.” —Publishers Weekly (starred review)

Forty-five years after the fall of Saigon, John Boyko brings to light the little-known story of Canada's involvement in the American War in Vietnam. Through the lens of six remarkable people, some well-known, others obscure, bestselling historian John Boyko recounts Canada's often-overlooked involvement in that conflict as peacemaker, combatant, and provider of

weapons and sanctuary. When Brigadier General Sherwood Lett arrived in Vietnam over a decade before American troops, he and the Canadians under his command risked their lives trying to enforce an unstable peace while questioning whether they were merely handmaidens to a new war. As American battleships steamed across the Pacific, Canadian diplomat Blair Seaborn was meeting secretly in Hanoi with North Vietnam's prime minister; if American leaders accepted his roadmap to peace, those ships could be turned around before war began. Claire Culhane worked in a Canadian hospital in Vietnam and then returned home to implore Canadians to stop supporting what she deemed an immoral war. Joe Erickson was among 30,000 young Americans who changed Canada by evading the draft and heading north; Doug Carey was one of the 20,000 Canadians who enlisted with the American forces to serve in Vietnam. Rebecca Trinh fled Saigon with her husband and young daughters, joining the waves of desperate Indochinese refugees, thousands of whom were to forge new lives in Canada. Through these wide-ranging and fascinating accounts, Boyko exposes what he calls the Devil's wildest trick: convincing leaders that war is desirable, persuading the public that it is acceptable, and telling combatants that the deeds they carry out and the horrors they experience are normal, or at least necessary. In uncovering Canada's side of the story, Boyko reveals the many secret and forgotten ways that Canada not only fought the war but was forever shaped by its lessons and lies.

“ I have learned to kiss the wave that throws me against the Rock of Ages. ” What does it mean to “ kiss the wave? ” These words, attributed to nineteenth-century British preacher Charles Spurgeon, speak to the Christian ’ s only hope for perseverance in suffering. What if we can learn to experience the nearness of God in the midst of suffering? What if God intends to work through our trials rather than simply take them away? After living for more than a decade

with a debilitating nerve condition in both arms, Dave Furman shows us that God, in his grace, always designs trials for our good—not minimizing the pain, but infusing significance into our suffering. Furman demonstrates that, even when tossed to and fro by stormy waves, God is near . . . and that makes all the difference in the world.
