feisty lass. He'd bet his best dagger; her passions burn just as fiercely. And that fine round backside of hers nestled between his thighs as they ride. Makes a man think twice about choices he's made. Like promising to marry a woman he's never loved so he can be the next chieftain of Clan Stronach. But vengeful clans, a medieval sociopath, and the mesmerizing warrior who draws her in like a bee to sweet clover thwarts that priority at every turn. Her head knows better. Her heart refuses to listen. She misses her family, is worried about her farm, and would kill for coffee and a toothbrush. But those aren't the worst things about traveling back several centuries. The worst thing is loving a man who, once she returns to her time, will have been dead for over eight hundred years.
