Time to go back to the  
Borderlands of Pandora  
with

BradyGamesBorderlands  
2 Signature Series

Guide takes you  
through the ins and  
outs of gameplay in  
Pandora. Play as one  
of four new Vault

Hunters as they fight  
to free their world  
from the tyrannical  
Handsome Jack, and  
stop him from

unleashing an ancient  
alien evil known only  
as "the Warrior".This

BradyGames Signature  
Series Guide provides  
complete coverage of  
each character's

personality, unique  
abilities and skills.

So whether you play as

---

Salvador, Maya, Axton or Zero you will know them inside and out. They provide special commentary to the game in each chapter too, so you can find out what they think about the situation in Pandora. A complete walkthrough is your companion for the game and detailed maps show each collectible, point of interest and side quest. Every single weapon and item is described, including legendary weapons, black market items, relics, shields, grenades and a full breakdown of the weapon generation system. Sir Hammerlock himself guides you through the behaviour and combat tactics of over 240 beasts in his bestiary; find out game secrets and stats for the mob family; learn about challenges

and achievements and customise your character so he or she is the best they can be. Borderlands 2 Signature Series Guide is the complete game companion, so get playing, defeat the Warrior and save Pandora.

**Diablo II** Prima Games  
The great thing about being Canadian is simply this: we don't take ourselves too seriously, which works out pretty well because no one else on the planet takes us seriously, either. If you're reading this book, there's a good chance you're a Canadian. But what does that mean? There are the stereotypical nods, such as

---

politeness and apologizing, but there's so much more! To be honest, you've probably taken part in (or at least talked about) hockey, poutine, curling, canoes, health care, snowshoes, parkas, camping, beer, road work, Canadian Tire, Slurpees, moose, maple syrup, and Tim Hortons in the last 24 hours. "A Hoser's Guide to Canadian History" is your ticket to even more things "Canadian" that you may have missed during your water-cooler discussions, online chats, or your seventeen-hour wait in the local emergency room. As you read this book, you'll discover new and exciting facts about Canada that simply weren't taught in school. As a History teacher, I found the need to spread the unvarnished truth of this great nation's past. People like Sir John "Eh" MacDonald, Tommy Douglas, and Pierre Trudeau all had a distinct impact on this great country of ours, and part of their stories are included in these pages. Even less-famous folks who helped to shape Canada got a mention: John Humphrey, Laura Secord, and Egerton Ryerson. (Yes, "Egerton" is a real name.) Canada has an exciting past, full of events that have brought us to where we are now. Like all countries, we have some things we'd like to forget, but most of those unpleasant moments happened because we had morons in Parliament, something that doesn't happen anymore. Canadians have no need to apologize for being nice, honest, and caring people. So, please enjoy this book, and if you don't, well, I'm sorry.

*Diablo II Ultimate Strategy Guide* Prima Games

The purpose of this guide is to help the user find birds on Andros Island and find the habitats that are ideal for certain species of birds. This book describes in detail the best places to find approximately 150 of the

---

most common and/or most interesting birds found on the island. It is a 'must have' for any nature lover traveling to Andros Island. The book gives tips on bird spotting, how to identify the best areas for specific types of birds, and the vegetative zones preferred by each species. The book is also full of detailed coordinates to put birders on those habitats favored by certain species. Unlike most scientific writing, this text is full of humor and is as entertaining as it is informative.
