The purpose of this guide is to help the user find
birds on Andros Island and find the habitats that
are ideal for certain species of birds. This book
describes in detail the best places to find
approximately 150 of the most common and/or

most interesting birds found on the island. It is a
'must have' for any nature lover traveling to
Andros Island. The book gives tips on bird
spotting, how to identify the best areas for specific
types of birds, and the vegetative zones preferred
by each species. The book is also full of detailed
coordinates to put birders on those habitats
favored by certain species. Unlike most scientific
writing, this text is full of humor and is as
entertaining as it is informative.
