### The Things They Carried Simon and Schuster

"A groundbreaking work about race and the American landscape, and a deep meditation on nature...wise and beautiful."—Helen Macdonald, author of *H is for Hawk* A Foreword Reviews Best Book of the Year and Nautilus Silver Award Winner In me, there is the red of miry clay, the brown of spring floods, the gold of ripening tobacco. All of these hues are me; I am, in the deepest sense, colored. Dating back to slavery, Edgefield County, South Carolina—a place "easy to pass by on the way somewhere else"—has been home to generations of Lanhams. In *The Home Place*, readers meet these extraordinary people, including Drew himself, who over the course of the 1970s falls in love with the natural world around him. As his passion takes flight, however, he begins to ask what it means to be "the rare bird, the oddity." By turns angry, funny, elegiac, and heartbreaking, *The Home Place* is a meditation on nature and belonging by an ornithologist and professor of ecology, at once a deeply moving memoir and riveting exploration of the contradictions of black identity in the rural South—and in America today. "When you're done with *The Home Place*, it won't be done with you. Its wonders will linger like everything luminous."—Star Tribune "A lyrical story about the power of the wild...synthesizes his own family history, geography, nature, and race into a compelling argument for conservation and resilience."—National Geographic

Taught everywhere—from high school classrooms to graduate seminars in creative writing—it has become

required reading for any American and continues to challenge readers in their perceptions of fact and fiction, war and peace, courage and fear and longing. *The Things They Carried* won France's prestigious Prix du Meilleur Livre Etranger and the Chicago Tribune Heartland Prize; it was also a finalist for the Pulitzer Prize and the National Book Critics Circle Award.

Nella Larsen (1891-1964) occupies a central place in African-American and Modernist literature, and her status as a Harlem Renaissance woman writer is rivaled only by Zora Neale Hurston's. This Norton Critical Edition of Larsen's electrifying 1929 novel is accompanied by Carla Kaplan's insightfully detailed introduction, explanatory annotations, and a Note on the Text "Backgrounds and Contexts" connects *Passing* to the historical events of the day, most notably the sensational Rhinelander/Jones case of 1925. Fourteen contemporary reviews are reprinted, including those by Alice Dunbar-Nelson, W. B. Seabrook, Mary Griffin, and W. E. B. Du Bois. Little-known documents, including those by Juanita Ellsworth and Caleb Johnson, reveal America's fascination with-and fear of-the cultural phenomenon of passing. Also included are Larsen's statements on the novel and on passing, as well as a generous selection of her letters. The theme of "The Tragic Mulatto(a)" in American literature is explored through related writings by Lydia Maria Child, William Wells Brown, Kate Chopin, Mark Twain, Countee Cullen, and Langston Hughes, among others. Finally, Joseph Seamon Cotter, Jr., Jessie Redmon Fauset, Countee Cullen, W. E. B. Du Bois, Allen Semi [Nella Larsen], George S. Schuyler, Carl Van Vechten, and Langston Hughes voice their impressions of passing from the perspective of the Harlem Renaissance. "Criticism" provides sixteen diverse interpretations of *Passing* by, among others, Deborah E. McDowell, Judith Butler, Cheryl A. Wall, Thadious M. Davis, George Hutchinson, Mary Helen

Washington, Ann duCille, Gayle Wald, Claudia Tate, and Jennifer DeVere Brody. A Chronology and Selected Bibliography are also included. Book jacket.

A Novel Harper Collins

Journalist Walls grew up with parents whose ideals and stubborn nonconformity were their curse and their salvation. Rex and Rose Mary and their four children lived like nomads, moving among Southwest desert towns, camping in the mountains. Rex was a charismatic, brilliant man who, when sober, captured his children's imagination, teaching them how to embrace life fearlessly. Rose Mary painted and wrote and couldn't stand the responsibility of providing for her family. When the money ran out, the Walls retreated to the dismal West Virginia mining town Rex had tried to escape. As the dysfunction escalated, the children had to fend for themselves, supporting one another as they found the resources and will to leave home. Yet Walls describes her parents with deep affection in this tale of unconditional love in a family that, despite its profound flaws, gave her the fiery determination to carve out a successful life. -- From publisher description.

Having spent twenty-seven years behind the glass walls of his enclosure in a shopping mall, Ivan has grown accustomed to humans watching him. He hardly ever thinks about his life in the jungle. But when he meets Ruby, a baby elephant taken from the wild, he is forced to see their home, and his art, through new eyes. In the tradition of timeless stories like *Charlotte's Web* and *Stuart Little*, Katherine Applegate blends humor and poignancy to create an unforgettable story of friendship, art, and hope. *The One and Only Ivan* features first-person narrative; author's use of literary devices (personification, imagery); and story elements (plot, character development, perspective). SOON TO BE A MAJOR MOTION PICTURE—The #1 New York Times bestselling worldwide sensation with more than 12 million copies sold, "a painfully beautiful first novel that is at once a murder mystery, a coming-of-age narrative and a celebration of nature" (*The New York Times Book Review*), now in paperback for the first time. For years, rumors of the "Marsh Girl" have haunted Barkley Cove, a quiet town on the North Carolina coast. So in late 1969, when handsome Chase Andrews is found dead, the locals immediately suspect Kya Clark, the so-called Marsh Girl. But Kya is not what they say. Sensitive and intelligent, she has survived for years alone in the marsh that she calls home, finding friends in the gulls and lessons in the sand. Then the time comes when she yearns to be touched and loved. When two young men from town become intrigued by her wild beauty, Kya opens herself to a new life--until the unthinkable happens. *Where the Crawdads Sing* is at once an exquisite ode to the natural world, a heartbreaking coming-of-age story, and a surprising tale of possible murder. Owens reminds us that we are forever shaped by the children we once were, and that we are all subject to the beautiful and violent secrets that nature keeps.

Where Men Win Glory Penguin

#1 NATIONAL BESTSELLER • "A harrowing tale of the perils of high-altitude climbing, a story of bad luck and worse judgment and of heartbreaking heroism." —PEOPLE A bank of clouds was assembling on the not-so-distant horizon, but journalist-mountaineer Jon Krakauer, standing on the summit of Mt. Everest, saw nothing that "suggested that a murderous storm was bearing down." He was wrong. The storm, which claimed five lives and left countless more--including Krakauer's--in guilt-ridden disarray, would also provide the impetus for *Into Thin Air*, Krakauer's epic account of the May 1996 disaster. By writing *Into Thin Air*, Krakauer may have hoped to exorcise some of his own demons and lay to rest some of the painful questions that still surround the event. He takes great pains to provide a balanced picture of the people and events he witnessed and gives due credit to the tireless and dedicated Sherpas. He also avoids blasting easy targets such as Sandy Pittman, the wealthy socialite who brought an espresso maker along on the expedition. Krakauer's highly personal inquiry into the catastrophe provides a great deal of insight into what went wrong. But for Krakauer himself, further interviews and investigations only lead him to the conclusion that his perceived failures were directly responsible for a fellow climber's death. Clearly, Krakauer remains haunted by the disaster, and although he relates a number of incidents in which he acted selflessly and even heroically, he seems unable to view those instances objectively. In the end, despite his evenhanded and even generous assessment of others' actions, he reserves a full measure of vitriol for himself. This updated trade paperback edition of *Into Thin Air* includes an extensive new postscript that sheds fascinating light on the acrimonious debate that flared between Krakauer and Everest guide Anatoli Boukreev in the wake of the tragedy. "I have no doubt that Boukreev's intentions were good on summit day," writes Krakauer in the postscript, dated August 1999. "What disturbs me, though, was Boukreev's refusal to acknowledge the possibility that he made even a single poor decision. Never did he indicate that perhaps it wasn't the best choice to climb without gas or go down ahead of his clients." As usual, Krakauer supports his points with dogged research and a good dose of humility. But rather than continue the heated discourse that has raged since *Into Thin Air*'s denouncement of guide Boukreev, Krakauer's tone is conciliatory; he points most of

his criticism at G. Weston De Walt, who coauthored *The Climb*, Boukreev's version of events. And in a touching conclusion, Krakauer recounts his last conversation with the late Boukreev, in which the two weathered climbers agreed to disagree about certain points. Krakauer had great hopes to patch things up with Boukreev, but the Russian later died in an avalanche on another Himalayan peak, Annapurna I. In 1999, Krakauer received an Academy Award in Literature from the American Academy of Arts and Letters—a prestigious prize intended "to honor writers of exceptional accomplishment." According to the Academy's citation, "Krakauer combines the tenacity and courage of the finest tradition of investigative journalism with the stylish subtlety and profound insight of the born writer. His account of an ascent of Mount Everest has led to a general reevaluation of climbing and of the commercialization of what was once a romantic, solitary sport; while his account of the life and death of Christopher McCandless, who died of starvation after challenging the Alaskan wilderness, delves even more deeply and disturbingly into the fascination of nature and the devastating effects of its lure on a young and curious mind."
