[Failure Is an Option](#) Birch Lane Press
From the headline-making, New York Times bestselling author of *I Hate Everyone...Starting With Me* comes another intimate glimpse into the delightfully hilarious mind of Joan Rivers. When her daughter Melissa gives her a diary for Christmas, at first Joan is horrified—who the hell does Melissa think she is? That fat pig, Bridget Jones? But as Joan, being both beautiful and introspective, begins to record her day-to-day musings, she realizes she has a lot to say. About everything. And everyone, God help them. The result? A no-holds-barred, delightfully vicious and always hilarious look at the everyday life of the ultimate diva. Follow Joan on a family vacation in Mexico and on trips between New York and Los Angeles where she mingles with the stars, never missing a beat as she delivers blistering critiques on current events, and excoriating insights

about life, pop culture, and celebrities (from A to D list), all in her relentlessly funny signature style. This is the Diary of a Mad Diva. Forget about Anais Nin, Anne Frank, and Sylvia Plath. For the first time in a century, a diary by someone that 's actually worth reading.

Diary of a Mad Playwright Penguin

From the #1 New York Times bestselling author of *Cockroaches*, Olav Johansen is a walking contradiction: a cold-blooded killer with a heart of gold. This was not a problem—until he fell for his boss's wife.... "Nesbø's much-heralded gifts are on display." —The New York Times Book Review
Olav is a fixer for a high-profile crime kingpin in 1970s Oslo. He easily takes care of anyone who causes trouble for his boss. But he is more complicated than he seems. Olav's latest job puts him at the pinnacle of his trade, but it may become his greatest mistake: It turns out that the more you know about your boss's business, the more your boss might want you fixed

yourself—especially if you're falling for his wife.

The Invisible Life of Addie LaRue Penguin

"Joan Rivers adores jewelry. She loves to shop for it, wear it, and design it. She also loves to talk about it, which is just what she does throughout this glittering volume. Her passion for jewelry - as romantic keepsake, fashion accessory, and personal statement - informs every page of *Jewelry* by Joan Rivers. She describes the pieces that she has always admired, particularly those that have influenced her own

designs. She tells the fascinating stories of her favorite jewelry designers, from the fabulous Faberge to the phenomenal Bulgari brothers. She devotes a chapter to accessorizing with jewelry, offering countless tips on how to turn that plain outfit into a totally chic ensemble by knowing what jewelry to select, and demonstrating the different looks that jewelry can achieve in a series of fashion photographs taken exclusively for this book." "All of Joan Rivers' love and knowledge of jewelry is reflected in the pieces she designs for her own line of costume jewelry - the Joan Rivers Classics Collection - hundreds of which are reproduced here in specially commissioned, full-color photographs. And she takes us behind the scenes to show us how her jewelry is crafted, from initial sketches to finished product."--BOOK JACKET.Title Summary field provided by Blackwell North America, Inc. Note to Boy Penguin

In *Technology and the Diva*, Karen Henson brings together an interdisciplinary group of scholars to explore the neglected subject of opera and technology. Their essays focus on the operatic soprano and her relationships with technology from the heyday of Romanticism in the 1820s and 1830s to the twenty-first-century digital age. The authors pay particular attention to the soprano in her larger than life form, as the 'diva', and they consider how her voice and allure have been created by technologies and media including stagecraft and theatrical lighting, journalism, the telephone, sound recording, and visual media from the painted portrait to the high definition simulcast. In doing so, the authors experiment with new approaches to the female singer, to opera in the modern - and post-modern - eras, and

to the often controversial subject of opera's involvement with technology and technological innovation.

Still Talking HarperTorch

The thrilling final instalment in Amy Alward's magical POTION DIARIES series! 'THIS SERIES IS MAGICAL' - Zoe Sugg aka Zoella 'INVENTIVE, ROMANTIC AND DOWNRIGHT DELIGHTFUL' - Sarah J. Maas, bestselling author of *Throne of Glass* After finding her great-grandmother's potion diary, escaping the clutches of Emilia Thoth, saving her grandfather's memories AND become a Master Alchemist, surely it's time for Sam Kemi to have a good, long rest? And maybe, just maybe, a proper date with her boyfriend Zain? But now that Princess Evelyn is married to the sinister Prince Stefan and showing symptoms of the Gergon illness, it looks as though Sam's adventures are just beginning. The GOOD news: there might be a cure for the virus spreading like wildfire through the city. The BAD news? It's buried in a remote village in a far-flung country next to an active volcano - and Sam's not the only one after it. With a TV crew trailing Sam's every move and time fast running out, it looks like things are about to... GO VIRAL

Avon Books

The multitalented writers, directors, producers, and actors (as seen on *The League*, *Transparent*, and *The Mindy Project*) share the secrets of their lifelong partnership in this unique memoir. "A book that anyone will love . . . You can enjoy it even if you have no idea who the Duplass brothers are."—Janet Maslin, *The New York Times* Whether producing, writing, directing, or acting, the Duplass Brothers have made their mark in the world of independent film and television on the strength of their quirky and empathetic

approach to storytelling. Now, for the first time, Mark and Jay take readers on a tour of their lifelong partnership in this unique memoir told in essays that share the secrets of their success, the joys and frustrations of intimate collaboration, and the lessons they've learned the hard way. From a childhood spent wielding an oversized home video camera in the suburbs of New Orleans to their shared years at the University of Texas in early-nineties Austin, and from the breakthrough short they made on a three-dollar budget to the night their feature film *Baghead* became the center of a Sundance bidding war, Mark and Jay tell the story of a bond that's resilient, affectionate, mutually empowering, and only mildly dysfunctional. They are brutally honest about how their closeness sabotaged their youthful romantic relationships, about the jealousy each felt when the other stole the spotlight as an actor (Mark in *The League*, Jay in *Transparent*), and about the challenges they faced on the set of their HBO series *Together*—namely, too much togetherness. But *Like Brothers* is also a surprisingly practical road map to a rewarding creative partnership. Rather than split all their responsibilities fifty-fifty, the brothers learned to capitalize on each other's strengths. They're not afraid to call each other out, because they're also not afraid to compromise. Most relationships aren't—and frankly shouldn't be—as intense as Mark and Jay's, but their brand of trust, validation, and healthy disagreement has taken them far. Part coming-of-age memoir, part underdog story, and part insider account of succeeding in Hollywood on their own terms, *Like Brothers* is as openhearted and lovably offbeat as Mark and Jay themselves. “Wright. Ringling. Jonas. I'm sure you

could name a bunch of famous brother teams. They're all garbage compared to Mark and Jay. I can't wait for you to read this book.”—from the foreword by Mindy Kaling

My Way of Life Kensington Books

Auggie Pullman, who was born with extreme facial abnormalities, goes from being home-schooled to entering fifth grade at a private middle school in Manhattan, which entails enduring the taunting and fear of his classmates.

Shatner Rules Little, Brown

From the New York Times–bestselling author of *The First Wives Club*: This novel about an aging actress's revenge on Hollywood is a “hoot” (*Entertainment Weekly*). Mary Jane Moran was an ambitious New York stage actress who lost the role of a lifetime and the one man she loved—all because Hollywood thought she was too plain and too old to star in the movies. But M. J. knew what she had inside—she just needed a little help bringing it out. Two years, forty pounds, sixty-seven thousand dollars, and a full round of nips, tucks, lipos, and implants later, the Broadway gypsy moth emerged a gorgeous butterfly with a new name and a new body. The woman now called Jahne Moore was svelte, sexy, and ripe for the big time. Jahne and her two sisters-in-arms—one ruthless LA native and one sweet Texas belle—are making their move on the West Coast. Television's top creator wants them in the season's white-hot new series. But as the starlets climb furiously to the top, they struggle to hide the secrets of their pasts. And Jahne Moore must give her most convincing performance ever when the same man who once broke her heart begs her to play a starring role—both in his show and in his life . . . “[A] juicy novel about Hollywood celebrities and secrets.” —Publishers Weekly “Compulsively readable.” —New York Daily News “Delicious and satisfying.” —Detroit Free Press

Technology and the Diva Anchor

A Year In The Life Of Ike Avelli...And It Ain't

Pretty! Inspired by Joan Rivers "Diary Of A Mad Diva" and Andy Cohen's "The Andy Cohen Diaries," Ike Avelli decided to put pen to paper throughout 2017, without knowing there were going to be some highs and lows during the year. Take a trip with Ike as he hangs out/performs with some of NYC's brightest entertainers, and follow him as he lands gigs, puts together new shows and travels on the road. He will also treat you to outrageous conversations with his Mom, family, and friends. Ike even invites you into his personal life, which includes trying to find a man, since Ricky Martin has landed a hubby and is no longer on the market. His year is an open book, that will make you laugh out loud and get emotional too, as you will see, not everything in life is peaches and cream. His humor will help you understand why he is currently selling out shows in the U.S.

Diary of a Mad Diva Abrams

Dakota, Chrissy, and Jordan have been best friends since college. Now they're about to discover their wild school days have nothing on the dramas of adulthood. . . As friends, Dakota, Chrissy, and Jordan are alike and dissimilar in many ways. Dakota is the only single one in the group. She and Jordan both thrive on their high-powered careers--and the men in their lives almost always come second. But when Dakota's boyfriend becomes more than she can handle, she realized that strength in the boardroom does not translate to the bedroom. Chrissy and Jordan have marriage in common--and the temptation to have an affair with two irresistible men. Now these three friends who have been through the best and worst times together, will have to rely on their strong bonds and trust the truth that lies buried deep within their hearts to discover who they really are--and find the life they've been waiting for all along. . . "I felt like I was experiencing one of my own girls' nights out." --Lala, MTV VJ "More juicy drama than any reality show. . .Janine writes for the everyday diva in all of us." --Miss Info, author of *Bling, Bling: Hip Hops Crown Jewels, Hot 97 Jock, Vibe* columnist

I Hate Everyone...Starting with Me Harper

Collins

Named one of "40 Gifts for the Book Lover on Your List," by *Good Housekeeping*: The definitive book about Joan Rivers' tumultuous, victorious, tragic, hilarious, and fascinating life. Joan Rivers was more than a legendary comedian; she was an icon and a role model to millions, a fearless pioneer who left a legacy of expanded opportunity when she died in 2014. Her life was a dramatic roller coaster of triumphant highs and devastating lows: the suicide of her husband, her feud with Johnny Carson, her estrangement from her daughter, her many plastic surgeries, her ferocious ambition and her massive insecurities. But Rivers' career was also hugely significant in American cultural history, breaking down barriers for her gender and pushing the boundaries of truth-telling for women in public life. A juicy, intimate biography of one of the greatest comedians ever -- a performer whose sixty year career was borne, simply, out of a desire to make people laugh so she could feel loved -- *Last Girl Before Freeway* delves into the inner workings of a woman who both reflected and redefined the world around her. *Murder at the Academy Awards (R) Diary of a Mad Diva*

This New York Times bestseller is a hilarious and inspiring tribute to the iconic comedian Joan Rivers by the person who knew her best--her daughter, Melissa. Joan and Melissa Rivers had one of the most celebrated mother-daughter relationships of all time. If you think Joan said some outrageous things to her audiences as a comedian, you won't believe what she said and did in private. Her love for her daughter knew no bounds—or boundaries, apparently. ("Melissa, I acknowledge that you have boundaries. I just choose to not respect them.") In *The Book of Joan: Tales of Mirth, Mischief and Manipulation*, Melissa shares stories (like when she was nine

months old and her parents delivered her to Johnny Carson as a birthday gift), bon mots (“Missy, is there anything better than seeing a really good looking couple pushing a baby that looks like a Sasquatch who got caught in a house fire?”), and life lessons from growing up in the Rosenberg-Rivers household (“I can do tips and discounts and figure out the number of gay men in an audience to make it a good show. That’s all the math you’ll ever need.”). These were just the tip of the iceberg when it came to life in the family that Melissa describes as more Addams than Cleaver. And at the center of it all was a tiny blond force of nature. In *The Book of Joan*, Melissa Rivers relates funny, poignant and irreverent observations, thoughts, and tales about the woman who raised her and is the reason she considers valium one of the four basic food groups.

The Awkward Thoughts of W. Kamau Bell
Outskirts Press

You know what she said out loud. Can you
imagine what she wrote in her diary?

Celebrate the hilarious wit of the great diva

Joan Rivers; even her funeral was as

glamorous as her. Following up the

phenomenal success of her headline-making

hit *I Hate Everyone*, Joan Rivers was at it

again. When her daughter Melissa gave her

a diary for Christmas, at first Joan was

horrified, who the hell does Melissa think

she is? That fat pig, Bridget Jones? But as

Joan, being both beautiful and introspective,

begins to record her day-to-day musings,

she realises she has a lot to say.

Ranting Again Ballantine Books

Eloise is an erratic, faded fashionista. Bradley is a glum but wily teenager. In need of help to write her racy 1960s memoirs, the former 'shock frock' fashion guru tolerates his common ways. Unable to remember his name, she calls him Boy. Desperate to escape a brutal home life, he puts up with her bossiness and confusing notes. Both guard secrets. How did she lose her fame and fortune? What is he scheming – beyond getting his hands on her bank card? And just what's hidden in that mysterious locked room?

Wonder Graymalkin Media

"Writing this funny requires immense talent." —AV Club H. Jon Benjamin—the lead voice behind Archer and Bob's Burgers—helps us all feel a little better about our own failures by sharing his own in a hilarious memoir-ish chronicle of failure. Most people would consider H. Jon Benjamin a comedy show business success. But he'd like to remind everyone that as great as success can be, failure is also an option. And maybe the best option. In this book, he tells stories from his own life, from his early days ("wherein I'm unable to deliver a sizzling fajita") to his romantic life ("how I failed to quantify a threesome") to family ("wherein a trip to P.F. Chang's fractures a family") to career ("how I failed at launching a kid's show"). As Jon himself says, breaking down one's natural ability to succeed is not an easy task, but also not an insurmountable one. Society as we know it is, sadly, failure averse. But more acceptance of failure, as Jon sees it, will go a long way to making this world a different place . . . a kinder, gentler place, where gardens are overgrown and most people stay home with their pets. A vision of failure, but also a vision of freedom. With stories, examples of artistic and literary failure, and a powerful can't-do attitude, *Failure Is an Option* is the book the world

doesn't need right now but will get regardless.

Lies My Mother Told Me Main Street Books

The New York Times bestseller *One of America's* most original and biting comic satirists, Denis Leary takes on all the poseurs, politicians, and pop culture icons who have sucked in public for far too long. Sparing no one, Leary zeroes in on the ridiculous wherever he finds it—his Irish Catholic upbringing, the folly of celebrity, the pressures of family life, and the great hypocrisy of politics—with the same bright, savage, and profane insight he brought to his critically acclaimed one-man shows *No Cure for Cancer* and *Lock 'n Load*. Proudly Irish-American, defiantly working class, with a reserve of compassion for the underdog and the overlooked, Leary delivers blistering diatribes that are both penetrating social commentary with no holds barred and laugh-out-loud funny. As always, Leary's impassioned comic perspective in *Why We Suck* is right on target. Leary is the star and co-creator of the Emmy-nominated television show *Rescue Me*.

The Best Friends' Guide to Life Tor Books

This is Judy Greer's story, from her self-described childhood as "Ugly Judy" in suburban Detroit-ish, Michigan, to trying out for drama school to get even with her frenemy, and then breaking into movies as the ultimate best friend. Judy is a refreshingly honest, self-deprecating, and totally relatable guide to Hollywood life, speaking candidly about what it's really like to shoot on location, to go to the Oscars, and to feel like you're building a tortoise career in a town full of hares. Beneath the Spanx, Judy is like the best friend you've always wanted. She chills out with her giant, gassy bulldog, Buckley; meets the love of her life on a blind date; happily dives into being a stepparent; and through it all maintains an unshakeable belief in the restorative power of a late-night drugstore run.

Diary of a Street Diva Penguin

The legendary comedian presents the contents of her diary, offering insights, quips, musings, and critiques on her daily life, pop culture, and celebrities.
